Role and Responsibilities of Committee

- Advisory Committee Members represent and serve as a liaison to the community
- Committee serves in an advisory role and is not a decision-making body
- Represent the interests of the community, respect all opinions and refrain from monopolizing the conversation

Committee Meetings

- Expect to hold five (5) Committee meetings
- We'll send out a notice of the meeting, an agenda, and any review material by email in advance of each meeting
- Expect meetings to be one to two hours. We start the meeting on-time and we end on-time or early

Study Purpose

The purpose of the study is to identify potential transportation solutions aimed at addressing congestion and safety related deficiencies along US Route 1 in Hampton Falls.

This is a Planning Study. The objective is to identify a potential project or projects that can be added to the State's 10-Year Plan.
