GEORGE MERRILL REPLACEMENT WELL – 12 DEPOT ROAD: George and Louise Merrill were present to discuss the revised agreement. G. Merrill stated his contention is the limitation of \$6,500. He stated he feels there should be no limit and that the replacement of the well should not cost him anything. He stated he is not willing to sign an agreement with a cap or limit. M. J. Caruso stated that the Board feels confident that the replacement of the well can be done for \$6,500 or less and that the Board would like to proceed and get the work started. M. J. Caruso also noted that well drilling can be contracted in different ways; by a set price or a “per foot” basis. The Board indicated that an attempt will be made to request a well contractor to commit to a contract. The Board requested E. N. Small contact a well contractor, electrician and plumber. E. N. Small will also contact the attorney to review this matter.

ONE WAY TOLLS – ROUTE 95: The Board signed a letter of opposition to the plan for one-way tolls on Route 95.

HORSE SHOWS (Map 6, Lots 22 and 22-2): The Board discussed the result of E. N. Small’s telephone call to counsel with respect to the proposed changes to the letter to Mr. Sancoff. E. N.
