### ANNUAL REPORTS FOR THE TOWN & SCHOOL OF HAMPTON FALLS NEW HAMPSHIRE

As Compiled by the Town Officers for the year ending December 31, 2015 As Compiled by the School Officers for the year ending June 30, 2016

### **DEDICATION**

### POLICE CHIEF ROBBIE DIRSA

### Chief of Police 2000 - Present

Lieutenant 1996; Patrolman 1995

Compensation Review Committee Highway Safety Committee Joint Loss Management Committee Police Garage Building Committee

Before his employment with the Town of Hampton Falls, Robbie was Police Chief of Machias, Maine. He moved to the Seacoast area with his wife, Darlene, and his son and daughter and brought with him requisite education, certification, training and experience which included supervisory, investigatory and budgetary functions.

Robbie possesses a proven exemplary work ethic and has assisted the Board of Selectmen and Capital Improvements Plan Committee with maintaining an annual budget and plan for replacement of cruisers, computers and other police equipment so as to keep the needs of the Department up to modern standards while at the same time keeping the matter of costs in mind. He presents recommendations as matters arise providing the Board with options with regard to competitive salaries, fees, ordinances, policies, et cetera.

Robbie's most noticeable traits are his insight, compassion and professional manner in addressing the needs of the community. Whether it be a basic police matter, a concerning situation or a serious public safety matter, he is always willing to listen, explore options and make decisions to best address the matters of public safety brought to his attention.

Through the years, Chief Dirsa has consistently made time for anyone and everyone who needed his help. His calm and low key personality has served him well in dealing with potentially volatile situations as well as day-to-day activities of the Hampton Falls Police Department".

On behalf of the townspeople, the Board of Selectmen extends its sincere thanks to Police Chief Robbie Dirsa for his 20 years of service to Hampton Falls.

### IN MEMORIUM

Joseph A. "Andy" Melville

November 1, 1928 – August 28, 2015

**Recycling and Solid Waste Committee Member** 

### HAMPTON FALLS BOARD OF SELECTMEN

Selectwoman Maryann Kasprzak, Chairman Richard P. McDermott, and Vice Chairman Larry M. Smith

### 2015 HOG REEVES AND KEEPERS OF THE POUND

George Koch, Jr. and George Koch III

George Koch, Jr. and George Koch III were sworn in as Hog Reeves and Keepers of the Pound by Town Clerk Holly E. Knowles at the January 31, 2015 Annual Town Meeting at the Lincoln Akerman School. This position dates back to the early 18<sup>th</sup> century.

### **VOLUNTEER APPLICATION**

### TOWN OF HAMPTON FALLS New Hampshire

### Deliberative Session Minutes January 31, 2015 TOWN ELECTION RESULTS

### March 10, 2015

Bobbi Burns introduced herself as the Moderator for today's meeting and welcomed those present. She called the Deliberative Session to order at 9 a.m., Saturday, January 31, 2015, at Lincoln Akerman School Gymnasium. Cub Scout Pack 377 members Daniel Tanguay, Joseph O'Connor, Andrew Kriner and Jonathan Vigeant were recognized by the Moderator and led those assembled in the pledge to the flag.

- B. Burns noted the Town's Master Plan is being updated this year and spoke of the importance of resident feedback to the development of the plan. She said the <u>Town Survey 2015</u> would soon be mailed to residents and will also be available through the town website. She asked that everyone remember to complete a survey.
- B. Burns then introduced Assistant Moderator Kay Graham who will assist with counting votes if necessary; Holly Knowles, Town Clerk; Kathy Croteau, Secretary; Richard McDermott, Chairman of the Board of Selectmen; Maryann Kasprzak and Larry Smith, Selectmen; Lori Ruest, Town Administrator; Maureen Hastings, Lillian Stan, Supervisors of the Checklist.

The Moderator also expressed thanks to Richard Oster, school custodian, who set up the gym for today's meeting.

Copies of the warrant, agenda, rules of the meeting and other handouts were available for those present. B. Burns mentioned that today's Deliberative Session is the first half of Town Meeting; the second half will be the election on Tuesday, March 10, with polls open 8 a.m. – 8 p.m. at Town Hall. B. Burns then explained the conduct and rules of the meeting to include being recognized by the Moderator, using microphones, being brief and staying on subject, and submitting lengthy motions in writing.

<u>Article 1</u>: To choose all necessary town officers for the year ensuing.

On January 31, B. Burns announced the registered voters who have filed to run for the various town offices.

It was determined that approximately 40 people were present during the height of the Deliberative Session.

On Election Day, March 10, 2015, prior to the polls opening, the Town Clerk unsealed the ballots, and they were counted to determine the number provided for voting. The empty Accuvote machine was displayed and the zero result tape was printed. The ballots were then delivered to the ballot clerks. Moderator B. Burns opened the polls at 8 a.m. at Town Hall. She led those present in the salute to the flag and voting continued throughout the day. Pursuant to RSA 650:49, the Moderator processed the absentee ballots starting at 1 p.m. and closed the polls at 8 p.m. After the machine tape totals were printed and the write-ins were recorded, R. Burns noted the following results:

 $\underline{949}$  votes were cast out of  $\underline{1869}$  registered voters before the election,  $\underline{1895}$  registered voters after the election on 3/10/15.

| # of Position                        | Name                             | 3/10/15<br>Vote |

**PASSED** 

A True Copy Attest:

Holly E. Knowles Hampton Falls Town Clerk

### **BOARD OF SELECTMEN**

We extend sincere thanks to the many volunteers who donate valuable time to serve on the various boards, committees and commissions which help Hampton Falls run effortlessly. We also thank our full-time and part-time employees who serve the Town for their dedication and work ethic.

Two other departments; our Hampton Falls Volunteer Fire Department members along with the Police Department personnel are both worthy of a significant "Thank You" as well for their exemplary efforts during emergency events to include those horrific and appalling snow storms. We also extend thanks to the support of their families.

Thanks are extended to the Town Improvement Committee, Building Inspector and Road Agent for their efforts in continually considering safety improvements and energy savings for our Government Buildings.

Again, we are faced with unanticipated reductions in State funding that continue to affect the budgeting of Town expenses. The economy throughout the country is recovering slower than expected and most continue to struggle financially.

I asked again for the Board and Department Heads to look for cost reductions that would not negatively impact our services.

Our partnership with the UNH group, (RSMS – Road Surface Management Software) now Axiomatic, LLC continues. We had them return for an update of the conditions that helps us make the proper decisions relative to road maintenance; which allows the Board to project the cost for road improvements.

The Board has addressed the following in 2015:

- Difficult winter to include Blizzard Juno, FEMA Claim \$54,000
- Withdrawal from Southeast Regional Refuse Disposal District (53B)
- Solid Waste and Recycling Collection Contract Renewal - Pinard
- Solid Waste Disposal Contract Renewal Covanta
- Solid Waste Ordinance new disposal rules and restrictions – new fees
- Mercury Product Disposal new shed
- Police Department Garage and new cruiser
- Emergency Operations Center training
- I-95 Over Taylor River Bridge Project opportunity to obtain turnaround for public safety vehicles
- Fireworks Ordinance
- Social Media Policy

- New software for Tax Collection and Building Permitting
- New mowing contractors 2015 Thanks to Lyle Marelli for his many years of dedication and hard work!
- Initiated the Elm tree project for the Town's Tercentennial in 2022
- Forest Management Plan Raspberry Farm and Town Forest
- The State Historical Resources Council has added additional properties "Hampton Falls Town Hall (circa 1877) and the Old Library renovated in 1901 to the New Hampshire State Register of Historic Places.
- Comcast Ascertainment Process began 2015 relating to the Town's expiring contract in 2017

Welcome to our new employees and many thanks to our retiring and resigned employees.

All Selectmen will continue to attend their respective Boards, Committee and Commission meetings as Selectmen's Representative to ensure the continuation of better communication / information flow.

The Board thanks the residents of Hampton Falls for their continued support in volunteerism and fundraising efforts which make Hampton Falls the wonderful community and "Hidden Gem" it is.

Richard P. McDermott, Chairman

### **EXECUTIVE**

### **Annual School & Town Report**

The Board accepted SelectPrint Solutions of North Brookfield, Massachusetts, to produce the annual report book for year 2015.

Again, an effort to keep costs down has been made by having 200 copies of reports printed, as opposed to 300 copies last year and 800 copies in years previous. The Annual report is posted to the Town's website at hamptonfalls.org as well. Printed Annual reports will be made available for **pick-up** the first week of March from the Town Hall and Library during regular business hours. It is requested that one copy per household be obtained.

### **Policies**

The Board of Selectmen approved two new policies in 2015: Policy Concerning the Use of the Meeting Room at the Hampton Falls Town Hall and a Town Personnel Policy Amendment to add a section entitled "Use of Cell Phones While Driving."

### **Town Website**

Please visit *hamptonfalls.org* and check for information and options provided through various officials and department web pages.

One important feature available to residents is the ability to "subscribe to" various town notices, the combined town/library/school newsletter, public safety notices and Selectmen/Planning Board/Zoning Board of Adjustment agendas and meeting minutes.

Residents are encouraged to subscribe to news and announcements and public safety notices as these two categories in particular will provide you with information directly to your email inbox separate from regular business items. Feel free to call for assistance with subscribing. Public safety information such as advance storm information and town news information such as voting day hours or rescheduled trash collection is provided to residents through this feature.

### Farmer's Market

The Farmer's Markets previously held on the Town Common Monday afternoons resumed in 2015.

Established in May, 2011, Selectmen conditionally approved a farmer's market from June through October with several conditions, involving state licensing and scale inspections, certificate of liability and cooperation with public safety officials in policing parking of vehicles.

### **Perambulation of Town Bounds**

Selectmen appoint the Town Administrator to represent the town during the perambulation of bounds with neighboring towns. Every seven years the boundary markers must be identified.

The markers are most always granite posts with the initials of the town chiseled onto the top side of the stone. A document is signed by both town representatives and is filed at the registry, verifying the location of these markers. This is the process of perambulating the bounds which has been law for several hundred years.

Town Administrator Lori Ruest

### **Property-Liability Insurance**

The Board voted to continue to participate in a Contribution Assurance Program (CAP). A multi-year discount of 5% is also available to the Town of Hampton Falls.

This program guarantees the annual premium contribution during a defined period of years will not exceed nine percent. This program is not a rate cap but an overall cap. If the town did not participate in this new program, it would have experienced a rate increase over nine percent due primarily to claims experience and rate increases. The Town's claims experience has been minimal as of late.

Workers Compensation and Unemployment Compensation coverage remains with Primex resulting in a multi-policy discount.

### **Town Office Hours**

The Town Hall is open Monday, Tuesday, and Thursday from 8 am to 4 pm, and Friday mornings, September through May, for Town Clerk services only. The Town Hall is closed on Wednesdays and Friday afternoons. The policy of the Town Hall being closed if there was only one person in the office continues to be in place. All Town Hall employees are part-time employees with the exception of the full-time Town Administrator.

### **Selectmen's Meetings**

The Board of Selectmen meets on the first and third Wednesdays of each month at 6:30 p.m. at the Town Hall. Tuesday afternoons before the Wednesday meeting is the cut-off date for adding new subjects to the agenda. At the end of old and new business, there is a line on the agenda entitled "Public Comment" where the public is encouraged to speak on matters discussed earlier in the meeting.

In order to improve communications with departments and committees, each Board member is assigned to represent the Board and meet with his/her assigned group (Energy Committee, Heritage Commission, Library Trustees, Planning Board and School Board).

### **ACKNOWLEDGEMENTS**

We are grateful for the significant role town officials, department heads, and employees play in the successful operation of our town government.

We also thank citizens who have volunteered their time to the various Town offices, committees and projects over this past year. It helps to make Hampton Falls a special place in which to live.

Richard P. McDermott, Chairman Larry M. Smith, Vice Chairman Maryann Kasprzak, Selectwoman

### 

### 

### WEBSITE

The Town web site is a good source of information to residents. Please visit hamptonfalls.org to explore the various Departments and Committees and the forms and information provided. You will find business hours of the various Town offices, links to obtain dump stickers, vital statistics and auto registration renewals on line. You can also subscribe to items such as News & Announcements, Public Safety News, the Town/Library/School Newsletter and agendas and meeting minutes.

Whenever a new event, public announcement or document is posted to the "subscribe to" participants of the Town web site, subscribers receive a copy of that posting in their personal E-mail box, automatically.

Each Department and Committee is responsible to make arrangements to keep its page on the Town's web site as current as possible. Please check the home page for voting results and budget information that are posted as soon as they become available. Should you have questions regarding the web site, please contact the Town Hall. Hope you find the information on the Town of Hampton Falls' web site helpful. Thank you for visiting!

### SUPERVISORS OF THE CHECKLIST

2015 was a preparative year for the Supervisors of the Checklist. It was a time to prepare and ready the checklist, HAVA, our paper filing systems, and to learn updated election training and laws for the many upcoming major elections as we head into the New Year. We are ready.

The Supervisors began 2015 by attending the Winnacunnet Cooperative High School Deliberative Session on February  $4^{th}$ , and the Town of Hampton Falls Deliberative Session on February  $5^{th}$ . The Town General Election was held on March 10, 2015. We were also present for a Special Election that was held on July 7, 2015.

The Supervisors held meetings during the year on: January 20, February 28, March 24, May 2, June 27, and October 30.

Throughout the year, we familiarized ourselves with new election procedures and laws (which is always

an ongoing process), participated with maintaining the Duplicate Voter List, Cross Border Duplicate Voters and Street Organizing within the HAVA State Election Computer System. We maintained an accurate checklist, held Supervisor of the Checklist Sessions for corrections to the checklist, accepted new voter registrations, verified that at least 25 names on Citizen Petitions were registered voters in town and we changed requested party affiliations. Post-election duties included manually scanning the election history results into the state-wide computer system. The checklist is also used for jury duty selection by the court system.

To date, there are 1,867 registered voters in Hampton Falls. Republican voters total 733, Democratic voters total 280, and 854 are non-affiliated.

We keep an updated Alpha Checklist of all active Hampton Falls voters on the shelf located in the lobby at the Town Hall. All voters are encouraged to regularly check their party affiliation status in that book to ensure that they are registered for their desired party. This is especially important for Undeclared (or Independent) party affiliates who often change their party affiliation during Primary Elections.

The checklist is updated before every election during the 10 days between the Supervisors sessions and the election. We also update the checklist after each election when we may receive new registrations, changes in party affiliations, and corrections from Election Day. We remove names from a checklist when a death occurs, when voters move from Hampton Falls and re-register at another location, or we received notification from that city, town or state.

Any person may register to vote with the Supervisors of the Checklist at any election as long as they meet all the qualifications:

- Age A person must be 18 years of age.
- **Citizenship** A person must be a citizen of the United States of show naturalizations papers.
- **Domicile** A person must have a domicile in the community.

Filling out the voter registration forms must be done in person, as we need to witness your signature and see your identification.

The Supervisors meet 10 days before state elections, between 11:00-11:30 a.m. If the Saturday session falls on a Holiday Weekend (Labor Day), then the Supervisors will meet on the Tuesday (7 days before the election between 7:00-7:30 p.m.). They also meet for one session for corrections and additions to the checklist prior to the filing period for state offices for the presidential primary.

Before a presidential primary, the session shall be on the Friday preceding the first day of the filing period between 7:00 - 7:30 p.m. For a State Primary, the

session must be on the Tuesday before the first Wednesday in June. For SB2 Towns, the Supervisors session shall be held on Saturday, 6 to 13 days prior to the Deliberative Session.

It's our pleasure to serve the residents of Hampton Falls.

Supervisors of the Checklist

Maureen Hastings

Lyn Stan

Eileen Baker

### FINANCIAL ADMINISTRATION

### **Assessing Department**

Todd Haywood of Granite Hill Services performs the work of the Assessing Department with his assistant, Cheryl.

The Department of Revenue Administration conducts its annual sales-assessment ratio study using market sales. Information is pending for from October 1, 2014 to September 30, 2015. The estimated overall median sales-assessment ratio for land, buildings and manufactured housing for Hampton Falls is 95.4%.

### Audit

For 22 years, the Town has contracted with the auditing firm of Plodzik and Sanderson of Concord, N.H. Although the complete audit is no longer printed in the town report, it is available at the Town Hall. Selectmen signed a three year contract with Plodzik & Sanderson, with 2016 being the final year.

### Bookkeeper

The Board of Selectmen accepted the resignation of Cathy Whalen in 2015 and welcomed Debra Bassett as part-time Bookkeeper in April.

### **Customer Service Mission Statement**

Staff meetings are held quarterly, or more often as needed.

### **Health Insurance**

The NH Local Government Center Health Trust provides the town's health insurance which offers employees three different health plans. In 2015, the health insurance premium increased by 2.9%; there was no change in dental insurance premium.

Employees who choose a higher cost plan pay a 20% contribution; employees that enroll in a lower costing plan pay 15%. An opportunity for employees to "opt out" of health insurance is also available.

The Affordable Care Act will cause the Town to review the policies available to employees in order to avoid paying a potential tax in 2020. This review will be conducted with the assistance of NH Health Trust through the NH Municipal Association.

### **Invested Funds**

Treasurer Elizabeth Riordan invests all special funds (Road Construction, Site Plan and Impact Fees) with the NH Public Deposit Investment Pool. She invests the town's general fund monies with other local area banks. All of the town's invested funds are fully insured by these institutions. In addition to \$250,000 insurance by the FDIC, the Provident Bank protects all deposits over \$100,000 through the Depositors Insurance Fund.

### **Operating Budget**

On March 8, 2016, voters will have a choice of approving the proposed budget of \$2,493, 925 or (if the voters do not approve it) the default budget of \$2,496,870. The default budget is the previous year's budget where one-time expenses are removed and increases in contracts, state mandates and previous obligations are added. The proposed budget is \$8,430 more than the default.

### **Tax Rate**

The Department of Revenue Administration agent contacted the Town Administrator with information and a spreadsheet documenting specifics in order to set the tax rate. The Board of Selectmen's review of this information for 2015 resulted with a new rate of \$22.22 with a bill due date of December 8.

### Wages

Due to the state of the economy, Selectmen did not approve any cost of living increases for 2016. Some employees will receive their scheduled step increase through the budget based on the updated pay plan for 2016.

### Lori A. Ruest, Town Administrator

### ASSESSING DEPARTMENT

The level of assessment for Hampton Falls in 2015 was 95.4%. We had 37 qualified sales between 10/01/2014 and 9/30/2015, the time frame used to calculate the ratio. The DRA performs a ratio study annually for all communities. The average (median) single family residence (SFR) sale price was \$399,500 during that time frame. Median means of the 40 sales, the one in the middle sold for \$399,500. I will continue to visit all properties that sell to verify that our data is accurate and to ensure that only arms-length transactions are used for our ratio studies. Sales of foreclosed

properties and "short sales" are not considered "armslength-transactions".

Copies of all property record cards, containing the data on which the assessments are based, are available in the conference room of the Town Hall during regular office hours, for your review. There is also a sales book available, which is updated monthly as deeds are received. The assessment model is based on an Update performed for April 1, 2013.

I am a part-time consultant along with my associate Cheryl Akstin, and am not in the office on a daily basis. If you should wish to meet with me when I am in the office to answer any of your questions, please contact the Tax Collector's office to schedule a time within my appointment calendar.

It has been a pleasure serving the Town of Hampton Falls this year.

Todd B. Haywood, Assessing Agent

### PLANNING BOARD

In March, Charlyn Brown and Abigail Tonry were re-elected to another three-year term on the Planning Board. Beverly Mutrie was elected to a one year term as Anthony Franciosa had resigned the prior November and had one more year left on his term. Charlyn was once again re-elected Chairman and Todd Santora was elected Vice Chairman. Lisa Brown-Kucharski and Greg Parish are the other two Members of the Board and Maryann Kasprzak is the Selectmen's Representative. Due to moving out of town, both Bobbi Burns and Paul Stone resigned as Alternates in March. Charlyn recommended the appointment of Shawn Hanson as an alternate. Mark Sikorski, Building Inspector, attends and assists the Board at its meetings. The Board's Secretary, Kathy Croteau, resigned in March and Susan Aver became the Board's Secretary. Glenn Coppleman, assigned by the Rockingham Planning Commission, is Hampton Falls' Circuit Rider Planner.

Four committees, the Master Plan Committee, the Capital Improvement Program Committee, the Road Committee and the Ordinance and Regulations Review Committee address various Board responsibilities. Board members along with other Town residents serve on these committees that provide information to the Board that helps in final decision making.

During the year, the Planning Board held public hearings to amend both Site Plan Review Regulations and Subdivision Regulations to include new guidelines of the National Flood Insurance Program as suggested by the NH Office of Energy and Planning (NHOEP), and to also amend Appendix 2 of both Site Plan Review Regulations and Subdivision Regulations to include a fee for a Conditional Use Permit Application.

Additionally, a public hearing was held to amend the Zoning Ordinance to address agriculture vs. agritourism as the State is looking at the difference between them. The Board felt it was wise to address that issue for the Town as well. The amendments to the Zoning Ordinance were forwarded, with the Board's recommendation, to the Board of Selectmen for inclusion on the March 2016 Warrant.

The Master Plan Committee has met regularly throughout the year as it is working on updating the Town's Master Plan. A survey, seeking input on topics covered in the Master Plan, was sent to all residents in town. Also, in September three visioning sessions were held to obtain additional public input on the major topics covered in the chapters of the Master Plan.

In August Charlyn reviewed with the Board the Planning and Zoning 2016 Budget Worksheet she had prepared. This was forwarded to the Board of Selectmen.

The report of the Capital Improvement Program (CIP) Committee was presented to the Planning Board in October. After its review, the Board voted to send the report to the Board of Selectmen for consideration.

On May 2<sup>nd</sup>, Lisa Brown-Kucharski and Susan Ayer attended the NH Office of Energy and Planning Annual Spring Planning and Zoning Conference held at the Grappone Conference Center in Concord. On June 10<sup>th</sup> Charlyn Brown attended the Rockingham Planning Commission's Annual Meeting held at Zorvino Vineyards in Sandown. The main speaker's topic was solar energy. She assisted the Chairman of the Board of Selectmen in hosting the October 14<sup>th</sup> Rockingham Planning Commission Commissioners' monthly meeting held in Hampton Falls. Planning Board Alternate Shawn Hanson also attended this meeting. In addition, Charlyn was present at the Rockingham Planning Commission's Legislative Forum on November 18th at Unitil Headquarters in Hampton. The topic of the evening dealt with Coastal Flooding in New Hampshire: Future Risks and Hazards. Dr. Cameron Wake, Research Professor of Climatology and Glaciology, University of New Hampshire, was a member of the panel discussing the topic. Local legislative members in attendance also addressed strategies for moving forward. Beverly Mutrie attended a Coastal Adaptation Workshop put on by NH Coastal Adaptation Workgroup (NHCAW) on July 1st at the Hugh Gregg Coastal Conservation Center at the Great Bay Discovery Center in Greenland. At the same location, on December 17th, NH Coastal Risks and Hazards Commission's Draft Recommendations were discussed and Shawn Hanson (our alternate) attended. The Selectmen's Representative, Maryann Kasprzak, went to the lecture - Local Regulation of Agriculture (part of the 2015 Law Lecture Series) - put on by the NH Municipal Association on October 21<sup>st</sup> at the Newmarket Town Hall.

During 2015, the Planning Board acted on one Conditional Use Permit, one Special Use Permit, two amended Site Plans, two Preliminary Consultations, and one Scenic Road Alteration Permit. The Board ended 2015 dealing with a major Site Plan application which is being continued into 2016. This application also includes a Wetlands Special Use Permit request.

The members of the Planning Board wish to thank all those who took the time to complete the 2015 Hampton Falls Town Survey as well as those who attended the three visioning sessions. In addition, the Board appreciates the interest shown at Public Hearings.

Charlyn E. Brown, Chairman

Involuntary merged lots may be restored to premerger status upon the owner's request per <u>RSA 674:39-aa Restoration of</u>
<u>Involuntarily Merged Lots</u>. This matter will remain posted January 1, 2012 through December 31, 2016. Please contact the Town's Assessor with questions.

### ROAD COMMITTEE

No Road Committee meetings were held in 2015 and there were no subdivisions proposed or applied for with the Planning Board.

Members of the Road Committee include Chairman Greg Parish, Shawn Hanson, Dick Robinson, Larry Smith and Town Administrator Lori Ruest. Secretary Kathleen Croteau resigned in 2015 with Susan Ayer being appointed as Planning Board Secretary.

### ROCKINGHAM PLANNING COMMISSION

The Rockingham Planning Commission (RPC) is one of nine regional planning commissions in New Hampshire. The Commission's Region consists of twenty-seven of the Rockingham County communities.

The Commission operates with an appointed Board of Commissioners, and a paid professional staff of land use and transportation planners, GIS specialists, and transportation analysts. Each member community appoints at least two representatives to the Board. Candidates for Commissioner are recommended by the Planning Board and appointed by the Selectmen.

The Commissioners meet monthly to adopt and oversee the annual work program and budget, establish Commission policies on a variety of land use and planning issues important in the region and to discuss current planning topics.

The RPC provides a number of specific services to Hampton Falls including assisting the Planning Board with plan review and zoning proposals. The RPC is presently working with the Town on updating several chapters of the Master Plan. The RPC is involved with a variety of regional issues which affect all communities in the area, including transportation planning and natural resources management. Most recently the Commission has been working with the seven coastal communities including Hampton Falls on a vulnerability assessment for coastal flooding associated with storm surge and sea level rise to help communities identify measures to reduce future risk.

Richard P. McDermott, Rockingham Planning Commissioner

### ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment consists of five members (Chairman John Deleire, Vice Chairman Frank Perry, David French, Steve Bryant, and Larry Job) and two Alternate Members (Peter Robart and Patricia Young). Building Inspector Mark Sikorski attends and provides assistance as requested at monthly meetings as well.

During 2015, seven applications were addressed, five requesting variances to the Zoning Ordinance, one requesting relief from the Building Code, and one for a Special Exception.

The ZBA meets monthly as needed, on the fourth Thursday, to hear different types of petitions (variances, appeals to administrative decisions, special exceptions, equitable waivers and requests for relief from building code requirements). These applications are decided on merits and addressed through specific criteria as provided by law. Activity of this Board is outlined below along with the decisions made in each case. Minutes of ZBA meetings are available for viewing on the Town website at hamptonfalls.org or from the Town Clerk.

Susan Ayer, Secretary

### JOINT LOSS MANAGEMENT

The Town of Hampton Falls Joint Loss Management Committee (JLMC) met during the months of February, May, August and November in 2015 to review departmental activity, complete inspections, get updated on needed corrections and suggest future trainings.

Building Inspector Mark Sikorski, Fire Lieutenant Larry Anderson, Librarian Judy Haskell (retired December), and Police Chief Rob Dirsa serve as the Committee Members who review the Safety Policy annually and see that all Town buildings are inspected.

The JLMC will draw up a 2016 inspection list for town buildings at its February, 2016 meeting.

Judy Haskell, Recorder

### OLD STAGE ROAD BRIDGE COMMITTEE

The Old Stage Road Bridge is a popular community destination for runners, bicyclists and strollers of all ages. The Bridge project is an example of a community project accomplished solely by volunteers and private donations – without any public funds. This year, landscaping around the Bridge was further enhanced with indigenous, local plantings that will bloom at different times throughout the spring and summer months.

A special thank you to the Hampton Falls Fire Department for donating the beautiful wreath that adorned the Bridge at Christmastime.

Judy Wilson, Chairperson

### HERITAGE COMMISSION

(TERCENTENARY CELEBRATION STEERING COMMITTEE)

Commissioners during the year consisted of David French, Chairman, Beverly Mutrie, Secretary, Wendy Harrington (resigned December), Mary Ann Hill, Ann Haggart, Alternate (appointed as regular Member in December) and Mary Ann Kasprzak, Selectwoman. We thank Wendy for her exemplary service during the past five years, especially for her expertise with social media and websites.

The Commission met monthly except for holidays throughout 2015 and also had added special meetings to discuss the Town's upcoming Tercentennial Celebration in 2022. We will encourage the Selectmen to form a steering committee soon so that Town entities can begin planning events and entertainments.

The Commission ruled on two demolition permits, both of which were granted due to poor condition. The first was Michael Trembly's garden shed, built about 1906 on Brown Road. The second was Mike Toppan's 1800's small barn. Permission was granted as the barn would be rebuilt/restored in Hampton Falls.

Wendy Harrington made some updates to the Commission's website and posted pictures and information. Commission Members went through the tax cards in order to prepare a spreadsheet of all the old

houses/structures in Town to compile tax card information and post that on the web. This is still in progress.

13 November 2015

Town of Hampton Falls c/o Lori Ruest, Town Administrator 1 Drinkwater Road Hampton Falls, NH 03844

Dear Ms. Ruest.

The New Hampshire Division of Historical Resources (DHR) would like to congratulate you on The New Transparte Division of Tisotheat Resources (L7IPA you'don the 10 congraduates you' on the listing of the Hampton Falls Town Hall and the Hampton Falls Free Library in the New Hampshire State Register of Historic Places. We would like to recognize your efforts and the significance of the properties with the emlosdee certificates.

We will add you to our mailing list and let you know about future educational programs and technical assistance that may be of interest. The DHR has created a plaque that owners may order to mark listed properties; information on this plaque is enclosed. Another benefit of listing is a complimentary one-year membership to the New Hampshire Preservation Alliance, the state's membership organization dedicated to the preservation of New Hampshire's irreplaceable historic buildings, landscapes and communities.

The DHR has mailed the enclosed press release to major news outlets in the state noting the property's listing to the State Register. Please feel free to use this press release if you would like to announce the listing in your local newspaper as well. The Division publishes the list of State Register properties on our web site with a photo, the property name, street, town, and date of listing. If you have any questions or concerns about this, please give me a call at 603 / 271-6435.

We very much appreciate your stewardship and commitment to preserving an important part on New Hampshire's heritage. As you plan for needed maintenance or changes, staff members at the DH are always available for questions and assistance. Also enclosed are handouts on rehabilitation standa and State Register benefits that may be helpful as you maintain your buildings.

As always, please feel free to contact us if we can assist you.

A Preservation Company from Kensington was hired to complete the two applications for our Town Hall and our Museum to be added to the State Historic Register. These two buildings were accepted in November. Becoming a State Historic Register building recognizes the importance of the building to the State's history while still allowing repairs and upgrades to the interior. The Commission is now a member of the NH Preservation Alliance. Beverly Mutrie attended the Statewide Heritage Conference in April and a NH CAW workshop/meeting that dealt with the impact of sea level rise on Heritage structures. In June, we remembered Chris Merrill as our second Chairman upon his untimely passing.

Town residents are encouraged to plant 300 Liberty Elm trees on their combined properties, especially along the roadways, not only to celebrate 300th anniversary of the Town of Hampton Falls founding in 1722, but also to leave a lasting visual impact. The Town is getting a special price based on the number of trees ordered; information can be obtained at the Town Hall.

We have also discussed the parameters of having a small Neighborhood Historic District in Town consisting of

the Town Hall and the Museum in order to qualify for a Certified Local Government designation. program was enacted by the National Historic Preservation Act Amendments of 1980 and is a "partnership between municipal governments and the state historic preservation program, to encourage and expand local involvement in preservation-related activities." We also thought of other historic neighborhoods that might be designated by the owners as a Neighborhood Historic District, such as near Great Hill on Drinkwater Road and Sanborn Corners.

It is hoped that residents who value the rural character of Hampton Falls consider the visual appeal lent by our unique historic structures. Please help us survey them for our records, and, in return, we will give you information to help you preserve them. We will be glad to put residents in contact with the NH Preservation Alliance and their directory of qualified repair contractors if you own an historic house, barn or even a garden shed.

Beverly Mutrie, Secretary

### **CEMETERY TRUSTEES**

Hampton Falls' seven burial grounds are significant markers of the town's rich history as well as active cemeteries.

In 2015, long time groundskeeper Lyle Marelli retired. A new mowing and maintenance service was hired and we have moved ahead to ensure the continued care to which all of us have been accustomed.

The late spring and dry summer prevented plans to proceed with a beautification project for Oak Lawn Cemetery. It is our hope that this plan, including a variety of new trees to soften the greenscape, will begin this spring. Volunteer efforts and donations will be needed as we work to add shade, color and form to the town's newest cemetery, the only one in which burial plots are currently available for purchase.

As we continue regular maintenance, it is necessary from time to time to take additional efforts. In 2016, we will undertake reworking of the lawns at Westview, fertilizing the soil and undertaking a pest control program.

Moving toward the Town's Tercentenary, plans are underway to consolidate and update records detailing all the burials in the historic cemeteries, which are the final resting places of many notable townspeople.

> Jonathan Bohm, Trustee Chair Forrest Brown, Trustee Tracy Healey-Beattie, Trustee

PLANNING BOARD - 2015 ACTIVITY

| S ACTIVITY                     | Hearing Outcome Date | 01/27/15 No meeting due to weather | 02/24/15                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                               | 02/20/15                                                                                                                                                                                 | omplete  MOTION: To accept the jurisdiction of the plans as complete  MOTION: To grant a waiver to Article VI, Section 6.2.2 – Requesting 1"= 30° plan scale where Regulations require 1"= 20°, in order to eliminate the need for matched maps.  MOTION: To grant a waiver of Article VI, Section 6.2.18 – Requesting relief from the requirement for a drainage control plan, since the proposal is actually reducing the amount of impervious surface.  MOTION: To grant a waiver of Article VI, Section 6.2.19 – Requesting relief from needing a lighting plan.  MOTION: To grant a waiver of Article VI, Sections 6.2.21 & 6.4.4 – Seeking relief from the requirement of a Landscaping plan since this is an existing site with previously established landscaping.  MOTION: To grant a waiver of Article VI, Section 6.2.25 – Requesting relief from requirement for test pirs |

PLANNING BOARD - 2015 ACTIVITY

|                                | Outcome         | since the septic system is already in place.  MOTION: To grant a waiver of Article VI, Section 6.4.1, the requirement for a Traffic Impact Analysis, since this proposal will not generate new traffic.  MOTION: To grant a waiver of Article VI, Section 6.4.2 – Asking for relief from a full Soil Erosion and Sedimentation Control Plan since minimal site disturbance will take place.  MOTION: To grant a waiver of Article VI, Section 6.4.3 – Seeking relief from requirement to conduct high Intensity Soil Mapping since this was done for the original Site Plan.  MOTION: To approve the amendment to the site plan for Case #15-01-01, allowing for expansion to the existing horse barn and gravel access drive for property located at 6 Swain Drive, Map 5, Lot 53-11, subject to the following conditions:  1. That any and all fees due the Town of Hampton Falls and its consultants be paid before the mylar is signed and recorded.  2. That the building height and sightless objects (pipes, stacks, air conditioners, etc.) not exceed 35 feet.  3. That any and all state permits be obtained and made part of the file before the mylar is signed.  4. That an otte reading "No additional use or change of use shall be permitted unless approved by the Planning Board" be added to the final plan.  5. That approval is for a an additional 6,912 square feet of enclosed space for 29 horse stalls, tack room, rest room, farrier's shop and office, and for a gravel access drive.  6. That wetland district placard markers be obtained from the Conservation Commission, at the owner's expenses, and that the placard markers be obtained from the Conservation Commission, at the owner's expenses, and that the placard markers be posted at wetland buffer points and corners, with one, or more, additional markers every 50' prior to any tree cutting for road | construction or excavation. | Permit for an accessory dwelling unit to be located in a detached building (storage barn), to be compliant with Article III, Section 7.2.1.1 through Section 7.2.1.10, at 31 Exeter Road, Map 8, Lot 36.  AGRICULTURE AND AGRITOURISM-  ORDINANCE  1) Add the following definition on Page 2 of the Zoning Ordinance, following "Agricultural Animals": "Agriculture" as defined by State RSA 21:34-a.  2) Add the following definition on Page 2 of the Zoning Ordinance, following "Agriculture": "Agricunrism" means attracting visitors to a working farm for the purpose of eating a meal, making overnight stays, enjoyment of the farm environment, education on farm operations, or active involvement in the activity of the farm which is ancillary to the farm operation.  3) Add the following to the Table of Uses on Page 14 of the Zoning Ordinance following (1) Agriculture (and re-number remaining items in Agricultural/Forestry category):  Amend Article XI, 33.6.5 as follows:  Replace "identified in Article III, 31.5" with as defined by NH State RSA 21:34-a. The amended section would read:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | 15-09-01       | Kelley,   |                                                                     | 09/22/15        | MOTION: To accept the application as complete.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| building (storage barn), to be compliant with Article III, Section 7.2.1.1 through Section 7.2.1.10, at 31 Exeter Road, Map 8, Lot 36.  AGRICULTURE AND AGRITOURISM- DEFINITIONSPROPOSED MODIFICATIONS TO ZONING ORDINANCE  1) Add the following definition on Page 2 of the Zoning Ordinance, following definition on Page 2 of the Zoning Ordinance, following definition on Page 2 of the Zoning Ordinance, following definition on Page 2 of the Zoning Ordinance, following definition on Page 2 of the Zoning a meal, making overnight stays, enjoyment of the farm environment, education on farm operations, or active involvement in the activity of the farm which is ancillary to the farm operation.  3) Add the following to the Table of Uses on Page 14 of the Zoning Ordinance following (1) Agriculture (and re-number remaining items in Agricultural/Forestry category):  2. Agritourism  P P P P R See Definitions section for category Amend Article XI. 3.3.6.5 as follows:  Replace "dentified in Article III, 3.1.5" with as defined by NH State RSA 21:34-a. The amended section would read:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                | Barbara   |                                                                     |                 | MOTION: To accept the application as submitted and                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| AGRICULTURE AND AGRITOURISM- DEFINITIONS/PROPOSED MODIFICATIONS TO ZONING ORDINANCE  1) Add the following definition on Page 2 of the Zoning Ordinance, following "Agricultural Animals": "Agriculture" as defined by State RSA 21:34-a.  2) Add the following definition on Page 2 of the Zoning Ordinance, following "Agriculture": "Agritourism" means attracting visitors to a working farm for the purpose of eating a meal, making overnight stays, enjoyment of the farm environment, education on farm operations, or active involvement in the activity of the farm which is ancillary to the farm operation.  3) Add the following to the Table of Uses on Page 14 of the Zoning Ordinance following (1) Agriculture (and re-number remaining items in Agricultural/Forestry category):  2. Agritourism P P P P Research of See Definitions section for amend Article XI. 3.3.6.5 as follows:  Replace "identified in Article III, 3.1.5" with as defined by NH State RSA 21:34-a. The amended section would read:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                |           | building (storage barn), to be compliant with Article III, Section  |                 | grant the Conditional Use Permit.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| AGRICULTURE AND AGRITOURISM- DEFINITIONS/PROPOSED MODIFICATIONS TO ZONING ORDINANCE  1) Add the following definition on Page 2 of the Zoning Ordinance, following "Agricultural Animals": "Agriculture" as defined by State RSA 21:34-a.  2) Add the following definition on Page 2 of the Zoning Ordinance, following definition on Page 2 of the Zoning Ordinance, following "Agriculture": "Agritourism" means attracting visitors to a working farm for the purpose of eating a meal, making overnight stays, enjoyment of the farm environment, education on farm operations, or active involvement in the activity of the farm which is ancillary to the farm operation.  3) Add the following to the Table of Uses on Page 14 of the Zoning Ordinance following (1) Agriculture (and re-number remaining items in Agricultural/Forestry category):  2. Agritourism  Amend Article XI. 3.3.6.5 as follows:  Replace "identified in Article III, 3.1.5" with as defined by NH State RSA 21:34-a. The amended section would read:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                |           | 7.2.1.1 through Section 7.2.1.10, at 31 Exeter Road, Map 8, Lot 36. |                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

| Outcome   |      | No Decision Reached.                                                                                                                                                                                        | MOTION: To continue this hearing to July 16 <sup>th</sup> at 7:00 PM                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | MOTION: Case 15-03 has been revised by the Applicant upon rehearing to a single request for variance against Zoning Ordinance, Article III, Section 11, paragraph 11.4.1 to increase the allowable number of dwelling units from 44 to 72 single-bedroom units. Accordingly, it is hereby moved to approve this request. This motion is specifically conditioned on the following:  The location of the buildings shall be substantially the same as indicated in the presentation to this board, while remaining in compliance with all other town code requirements subject only to minor modifications to comply with town codes and plan approval conditions.  Deed restrictions as outlined during the hearing by the applicant must apply to this parcel.  The primary entrance/exit road shall be positioned to avoid direct headlight disturbance to neighboring properties.  Three buildings are to be constructed over a three year period with approximately twelve months between completions of each building. Criteria:  The variance will not be contrary to public interest.  The proposed project serves the public interest. The parcel is also restricted for use by the state.  The spirit of the ordinance is observed.  The ordinance profects the rural charm of the town and does not overlease. |

|        |                        |                                                                                                                                                                                                                                                                  |          | infrastructure in consideration of the property tax benefits. This development is in harmony with these objectives, hidden in the woods, and provides a safe pleasant environment for elderly low-income residents.  Substantial justice is done.  On balance, the town benefits from the additional socially-desirable population this development will bring without detriment to the general population.  The values of surrounding properties are not diminished.  Given the large 56 acre wooded parcel, more or less, and thoughtful development with due consideration of the surroundings, no diminution of values is expected to result.  Literal enforcement of the provision of the ordinance would result in an unnecessary hardship.  (i) Several unusual characteristics exist with this parcel, owing to the restricted use established by the state, economics of building under federal funds available, large land area, and extensive wetland restrictions. The ordinance is intended to limit the stresses on town infrastructure and rural nature of the community. With these special conditions considered, the proposed project does not conflict with general public purposes of the ordinance.  (ii) The addition of this elderly low-income housing project is reasonable. |
| 15-05  | Lozuaway<br>/Lanahan   | Application for variance to the terms of Article III, Section 7.2.1.2 (accessory dwelling unit), to permit use of 960 square feet of structure attached to a primary dwelling as an accessory dwelling, for property located at 49 Sanborn Road (Map 6, Lot 10). | 08/27/15 | MOTION: To permit use of 960 square foot of accessory dwelling space attached to a primary dwelling, with the understanding that the correct citation is Article III, Section 7.2.1.2, for the reasons that it will not be contrary to public interest; the spirit of the Ordinance is observed; Substantial Justice is done and it would be, on balance, unjust to restrict; values of surrounding properties will not be diminished; special conditions exist as the entire structure already exists, and the proposed use is reasonable.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| 15-06  | Paul<br>Mooers,<br>Jr. | Application for a Special Exception as provided for in Article III, Section 8.7, to allow a replacement septic system in a wetland district buffer, for property located at 72 Lafayette Rd. (Map 8, Lot 93).                                                    | 09/24/15 | MOTION: To approve Case #15-06, Application from Paul Mooers, Jr. for a Special Exception as provided for in Article III, Section 8.7, to allow a replacement septic system in a wetland district buffer, for property located at 72 Lafayette Rd. (Map 8, Lot 93), the three criteria for Special Exception being met, as referenced in the application.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| 15-07  | Peter<br>Stoddard      | Application for a Variance to the terms of Article III, Section 7.7.1 to permit a new septic system to replace a failed septic system less than 25 feet from the property line, at 113 Kensington Rd., Map 1, Lot 99.                                            | 09/24/15 | MOTION: To approve Case #15-07, Application from Peter Stoddard (Greg and Jessica Miner) for a Variance to the terms of Article III, Section 7.7.1 to permit a new septic system to replace a failed septic system less than 50 feet from the property line, at 113 Kensington Rd., Map 1, Lot 99, accepting the compliance with the 5 criteria for acceptance as included in the application, and including specifics in the notes on plans provided by the applicant.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

# CAPITAL IMPROVEMENTS PROGRAM 2016 - 2021

### **OVERVIEW**

A capital improvement is defined as a major expenditure (gross cost of more than \$5,000) for public facilities beyond the scope of normal annual operating expenses. Capital improvements have a useful life of at least three years, and/or a requirement for financing. State law requires that towns plan for capital improvements for a six-year period.

Once the program has been reviewed and accepted by the Planning Board, it is presented to the Board of Selectmen as an advisory document.

### **GENERAL GOVERNMENT Government Buildings Purchase of Land**

Department heads are concerned that should the land adjacent and west of the municipal complex be developed, it would limit future expansion of the municipal complex at the Drinkwater Road site. Although there is no immediate need for this land, the Capital Improvement Program Committee has left this possible purchase on its CIP Spreadsheet, indicating that the current appraised value of this 11-acre lot is \$298,700.

### **Town Hall**

The CIP Committee recommends that \$30,000 be added to the Town Hall Capital Reserve Fund, created in

In 2015, \$5,000 was placed in this fund for an engineer review, and potential repair, to the trussing of the older section of the Town Hall. The Board of Selectmen has delegated the Town Improvement Committee to oversee these maintenance projects. The engineer's review resulted in the need for additional screws to reinforce existing purlins.

In 2016, the Town Improvement Committee is looking to reconfigure and construct a new ADA compliant handicap accessible entrance door to include, but not limited to, two commercial grade ADA compliant doors with electronic push pad door openers and a new card security system at the addition to the Town Hall.

### **Old Library Building**

Selectmen will ask voters to continue to fund a capital reserve fund for the maintenance of the old library. Although the town has overseen repairs to this building since it was vacated with the building of the

new library, the building has been turned over to the town through a "cy pres" petition that was granted by the Rockingham Superior Court.

Fourteen thousand dollars is requested for the year 2016. These funds, along with remaining 2015 funds, would be used to continue the replacement of the clapboard siding on the rear of the building with cement board and other maintenance repairs as identified. The Town has leased this building to the Hampton Falls Historical Society for ten years. One condition of the lease is that the Town maintains the exterior. A great amount of effort was made in 2014 to the front of the building to include replacement of storm windows. The slate roof was inspected and repaired in 2015.

### **PUBLIC SAFETY** Police **Police Cruiser**

The Police Department has four cruisers and it is recommended that after 100,000 miles the vehicles be replaced (experience has demonstrated that this is more economical and that trading at the expiration of the 100,000 mile warranty can save up to \$5,000 the first year). Having a six-year schedule for the new cruisers ensures reliable transportation. In 2007, 2008 and 2009, warrant articles to raise funds for this purpose did not pass; in 2010 voters approved funds for the purchase of a new cruiser. The current plans call for the purchase of one vehicle in 2015 (which was done), 2017 and 2019. Plans call for funding the cost of the cruisers by raising \$22,000 annually and depositing the funds into a capital reserve fund. Beginning in 2013, sedan style cruisers began being replaced with sport utility style cruisers.

### **Computer Equipment**

In 2016, 2018 and 2020, the Police Department will request \$5,000 to replace and make upgrades to computer hardware and software. These purchases will allow keeping pace with changing technology and to replace outdated and worn out equipment. The money can also allow for the purchase of updated and licensed office and utility software.

### **Ambulance**

The Fire Department will be asking the town to purchase a new ambulance in 2016 at a cost up to \$180,000. The cost will be completely offset by the revenues from ambulance calls which are deposited in a revenue fund called the "Fire Department Vehicle Fund." There will be no impact on your property tax bill from this purchase. The current balance in this fund is \$302,563.

### FIRE DEPARTMENT

### **Fire Protection**

### Fire Vehicle Capital Reserve Fund

The 1987 Town Meeting established a capital reserve fund for the purpose of raising funds to replace apparatus. Most of these funds were used in 2010 to purchase a replacement for Engine 1. Voters will be asked to add \$50,000 to this fund in 2016 and possibly more within the next five years in anticipation of a purchase in 2019 or 2020. Current balance in this capital reserve fund is **\$155,465.** 

### **HIGHWAYS - Road Bond Issue**

In 2005, voters approved a bond issue of \$689,000 to rebuild culverts and reclaim and/or repave roads. The Sanborn Road culvert was re-constructed. Brown Road, King Street, Marsh Lane, Mill Lane and Sanborn Road were reclaimed and repaved. Coach Lane, Crestview Drive, Glenwood Road, Janvrin Drive, Maple Avenue, Towle Farm Road and Woodlawn Avenue were shimmed and repaved. The total cost for this work was \$615,900. *The bond payments expired in 2015*.

### **Repaving Town Roads**

In 2010, a capital reserve fund was established for the maintenance of the town roads and voters approved funds as requested annually. Voters will be asked to raise and appropriate \$250,000 to add to this fund in 2016. It will be offset by the annual Highway Block Grant which in 2016 is expected to be about \$64,000. There has been a significant cost in asphalt and decreased receipts through block grants from the State of NH.

Selectmen will be the agents for this fund and will be able to use the monies for current road improvements in conjunction with the road survey conducted by Axiomatic, LLC, which identifies prioritized needs. As the fund increases, it is hoped the fund will eliminate the need of issuing notes and bonds for major road construction. Current balance in this fund is \$107,443.

### **SANITATION - Landfill Closure**

The Capital Improvements Program Committee recommends adding \$5,000 biennially to the capital reserve fund established in 1998 for the eventual closing of the Town's old landfill dump on Parsonage and Drinkwater Roads. Currently, the fund totals \$43,300. Appropriations are recommended for 2017, 2019 and 2021.

### **LIBRARY**

In 2014, voters approved the addition of \$28,000 to the Library Improvement Capital Reserve Fund (CRF) previously created to set aside funds the maintenance of the Library at 7 Drinkwater Road. In 2013, it was identified that the heating and ventilation system needed repair and upgrades. With the heating and ventilation system now complete, the Committee considered the Library Trustee's request to resume adding to the CRF with \$6,000 recommended for years 2016 through 2021 for the purpose of replacing trim boards as needed rather than an overall replacement. The Committee set a medium priority to this request.

### Replace Library Roof (7 Drinkwater Road)

The Library Trustees reported that the roof at the Library is in poor condition and requested \$28,500 be raised in 2016 for a new roof. It was identified that the roofing shingle used may be part of a class action suit and the Library Trustees will be pursuing a claim to attempt to recover the cost of the shingles.

### PLANNING - Update of Master Plan

Given that the Town is responsible to update its Master Plan every 10 years by statute, it was determined that it would be advantageous to begin putting money aside in the amount of \$6,000 each year rather than incurring the overall cost in one budget year. The Committee set a high priority for this request. Today's cost to update the Master Plan is approximately \$50,000.

### **CONSERVATION - Open Space Bond Issue**

In 2004, voters approved the Conservation Commission's proposal for a 20 year, \$2,500,000 bond issue for its open space initiative.

In 2005, the Town borrowed \$2,500,000 from the New Hampshire Municipal Bond Bank, which was used to purchase a conservation easement of approximately 102 acres from Applecrest Farm Orchards. The bond payments expire in 2025.

### **Open Space & Conservation Land**

The Raspberry Farm was purchased in 2009 with a combination of local conservation and federal funds. There remains a balance of \$398,667 between the Conservation Capital Reserve Fund and the Conservation Fund. The Conservation Commission will continue to acquire lands and easements for conservation purposes. In most cases, federal funds are available to assist in these acquisitions. Fifteen percent of the revenues from the Land Use Change Tax will also be used to finance these acquisitions.

### SCHOOLS

### Lincoln Akerman School School Growth and Future Expansion

In 2004, the School District voted to borrow \$1,210,000 through a bond issue to purchase land

adjacent to the existing school property. The bond payments expire in 2024.

In 2012, the School Board met with the CIP Committee and informed the Committee of a \$6,600,000 building project that includes renovation to the existing building as well as construction of new space to include additional classroom and cafeteria space and a new musical arts and gymnasium facility. The warrant article for this project did not pass in 2013, nor did amended projects in 2014 and 2015. The matter of an amended project relating to a separate gymnasium building will be forwarded to the 2016 warrant. The School Board continues to address renovation building projects (roof replacement, window replacement, HVAC upgrades, heating controls, electrical renovation and piping upgrade/oil tank). A 20-year bond is planned for this project.

### Winnacunnet Cooperative School District Hampton Falls Share

### **Expansion and Renovation of the School Building**

Voters approved a bond issue to expand and renovate Winnacunnet High School at a cost of \$26,850,000 in 2004. The bond payments expire in 2024.

In 2015, information for numerous projects under consideration of the Winnacunnet High School Board was provided to the CIP Committee. These items were provided for informational purposes only at the time with the indication that further discussion will take place in 2016.

### **SUMMARY**

After meeting with all department heads, the CIP Committee puts together a six year plan that attempts to spread out the cost of needed major expenditures, in an effort to prevent spikes in spending. However, the Selectmen decide which recommendations to accept reject, or change for any particular year.

Charlyn E. Brown (Chairwoman), Lori A. Ruest, Lisa Brown-Kucharski, Maryann Kasprzak, John J. Ratigan (resigned), Peter G. Robart, Todd Santora

### **GOVERNMENT BUILDINGS**

### **Historical Society Museum**

The Capital Improvement Program Committee and the Board of Selectmen support establishing a Capital Reserve Fund and raising \$14,000 to deposit in the fund for exterior repairs to the old library building. Siding work to replace the clapboards with a longer-sustaining cement board product and insulation work continued at 45 Exeter Road in 2016.

### **Joint Loss Management Committee**

In July 2010, Selectmen appointed a four member Joint Loss Management Committee for the purpose of establishing a new safety policy for all town buildings.

An initial meeting was held with David Witham of Primex (the town's property-liability insurance carrier) to provide guidance on the formation of this committee. He reviewed several basic Department of Labor requirements:

- Four meetings annually,
- Completes an annual inspection of all buildings,
- Has four members from the various departments, and in this case, it would be from the library, town hall and public safety building (fire and police),
- Reviews accidents for preventative purposes,
- Submits a Safety Summary Form to the NH Department of Labor every other year.

The JLMC completed its Safety Policy that is on file with the Department of Labor.

The committee continues to meet four times each year and consists of Building Inspector Mark Sikorski, Fire Lieutenant Larry Anderson, Librarian Judy Haskell, and Police Chief Rob Dirsa. Annually, all buildings are scheduled to be inspected, reports were made and repairs were done on all potential hazards in the town garage, library, historical society museum, public safety building and town hall.

### **Public Safety Building**

In 2010, the heating system at the Public Safety Building was replaced with a co-generation unit with a federal grant of \$76,243. It includes solar energy and the capacity of creating energy that can reduce the cost of Unitil's monthly electric bill. This feature of the system has resulted in little to no return to the Town.

The heating portion of the system relies on propane fuel, as does the Town Hall. In 2015, the status of the system was reviewed with adjustments and minor repais being made. In 2014, bids were sought and Dead River

Energy (formerly Webber Energy) won the bid for a price of \$1.89 per gallon for three years. Eight thousand gallons were requested on a monthly budget pay basis (Public Safety Building 5,500 gallons, Town Hall 1,800, Historical Society Museum (Old Library) 700 gallons annually.

### Land abutting the Public Safety Building

Selectmen continue to keep in contact with the owner of the former Allison Janvrin land to see if there is a possibility of purchasing at least a portion of it for future expansion of town facilities there. It is hoped that a survey of the property will become available. Efforts will continue in this regard in 2016.

### Town Hall

Over the years, the Town Hall has served as a meeting place for the whole community. It was built in 1877 as a Town Hall and has been used as a playhouse, dance hall and general meeting place for residents and organizations. Hampton Falls Grange No. 171 has been meeting here since 1892.

As town government has grown, it is now a meeting place for the Board of Selectmen, Capital Improvement Committee, Board of Cemetery Trustees, Conservation Commission, Energy Committee, Heritage Commission, Old Stage Bridge Committee, Parks and Recreation Commission, Planning Board, Planning Board Road Committee, Supervisors of the Checklist, Tercentenary Celebration Committee, Trustees of the Trust Funds, Zoning Board of Adjustment and several yearly workshops and training sessions.

Line Dancing is held on Friday evenings as well as a Grange Harvest Festival in September. Other events include yoga, weddings, anniversaries, funeral receptions and association meetings. Anyone wishing to rent the Town Hall for a special event should contact the Town Administrator.

### **Town Hall Beautification & Repairs**

In July 2006, Jack Fermery of Nason Road presented a design plan to beautify the grounds around the Town Hall addition. He expanded the flower beds again in 2014. Jack maintains the sprinkler system, and along with his wife Carol, and other volunteers, the weeding of the flower beds. Funds have again been included in the 2016 budget to pay for the costs of maintaining the gardens and grounds as volunteer assistance is waning.

A brick walkway, newly planted memorial tree for former Selectmen Biggi and a new monument sign and flagpole were installed at the Town Hall, all with donated funds and labor. Selectmen delegated to the six-member Town Improvement Committee the responsibility of prioritizing a long-term plan for repairs to the Town Hall. In 2011, the replacement of the old clapboards with cement board clapboards which are low paint maintenance began. In 2014, this project continued with the siding on gable end of the Town Hall replaced and the wall insulated as well as window trim and water board replacement and painting of the exterior of the addition, completing the exterior improvements.

In 2015, a structural engineering review of trussing is planned for the original portion of the Town Hall.

Lori A. Ruest, Town Administrator

### POLICE DEPARTMENT

The Police Department has had a busy 2015. Along with the many calls for service, we also built a new cruiser and garage. Many personnel changes took place throughout the year as well.

The town staff and officials wished Lt. Thomas Boynton a happy retirement as he left full-time employment at the end of August after nearly 20 years of service to Hampton Falls. He had been a Police Officer in Seabrook before coming to Hampton Falls and is still working part-time for us as he pursues his Nursing Degree. Also, one of our full-time Officers who is a member of the NH Army National Guard was deployed to the Middle East during 2015 and is due to return in early 2016.

Lieutenant Tom Boynton (retired)

Several new officers were hired in 2015 to help fill the gaps. Ryan Veno, a 14-year veteran from Exeter PD was hired to fill the Lieutenant's position. Lt. Veno is a Detective and D.A.R.E. officer and we welcome him to the Department. He is ready and able to assist you. Andrew Feole, who is also a part-time Officer in Hampton, and Neal Casale. a retired Officer from Nashua were also hired in 2015. They both will fill part-time roles. We have been diligently looking throughout the year for qualified candidates and are happy to have found several this year.

Lt. Ryan Veno

The Department's 2005 cruiser (with 140,000 miles) has been replaced with a 2016 SUV model cruiser. The Selectmen approved plan is to replace a cruiser every other year. This allows the oldest cruiser to be replaced at approximately eight years old as it starts to cost too much in repairs and becomes unreliable. The old cruiser is then sold by advertising to the highest sealed bidder. I am very pleased with the new cruiser since we were able to make some improvements on the design of the 2014 SUV. The next cruiser to be replaced based on the plan is the 2010 and that will be in late 2017.

The year's most exciting improvement is the three-bay garage with overhead storage that was constructed on the back of the Public Safety Building dedicated for police cruisers. This project was 10 years in the making from it being placed on the Capital Improvements Plan to it being built. Money was raised by warrant articles in 2014 and 2015 which allowed bids to be solicited and construction to start in August. The last few items have nearly been finished per the builder's contract. I am just so happy about this improvement. It looks like it has been there forever, which was exactly what we were hoping for. I thank all those involved in the project, especially Jack Fermery who volunteered many hours, offered sage advice and was able to put our ideas on paper.

Although the fall and month of December were unusually warm, when the first snow came I took a moment just to stand in the garage and realize how fortunate I was to see this project progress through the years to completion. I actually enjoyed changing out some expired supplies in the car trunks while it was snowing out. It is certainly hoped that we don't have the amount of snow as the previous winter, however, with the new garage, I know that if we do, the Police Department will be in a much better position to respond to your calls instead of trying to get the cars cleaned off and out of the snowbank.

I always like to mention that we offer a vacation check service to residents who are going to be away for a weekend or a season. An officer will stop by and check the outside of your residence to make sure everything is okay. Just stop by the station or call to leave your information. The forms are also now on our portion of the Town website for your convenience. Just make sure to email, fax or drop them off as often the mail doesn't get here in time to give your property all the days you wish to have covered.

One of the things I always think about as I drive around town is whether we or another Department can identify your property in case of an emergency. You would be surprised how many homes are difficult to readily identify. You should think about it from the perspective of finding your house for the first time on a dark and stormy night. We advocate the placement of numbers on both sides of your mailbox. The large sized numbers are the best and reflective are even better. When you clear out your mailbox from the snow, make sure the numbers are visible. You may never have an emergency need for us or the Fire Department but you never know.

During the year, we often experience people calling about suspicious activity. This helps keep our community safe since all the extra sets of eyes helping us makes a huge difference. A piece of information that helps greatly is a plate number, so if you can see it, jot it down for us. It is also important when making these calls to do so as close to the time of the situation as possible. Often people feel they are bothering us, but that is what we are here for. I would rather go to 100 calls that turn out to have a simple honest explanation than to miss the one where a property on your street just got broken into and no one called. This goes for times when we are not on as well. Many residents think the Officers are not on duty so they can't call, but when we are not, the State Police will check out the suspicious situation based on your call.

Statistically, the Department had slightly more events than last year with 12,709. I am pleased to report we experienced less numbers in some important categories such as burglaries, theft and sexual assaults.

Other categories increased such as domestics, juvenile issues, 911 calls, radar checks and motor vehicle stops. It is likely our overall numbers will exceed 13,000 in 2016.

Sincere appreciation is extended to the other Departments that help us keep Hampton Falls safe. Thanks go to the Fire Department for the continuous assistance they provide us; the State Police for helping us cover our Town and for providing specialized services; the Sheriff's Department for providing dispatch services and data management services; our neighboring mutual aid agencies of Seabrook, Kensington, Exeter and Hampton for helping us fill in all the gaps.

We wish everyone a prosperous 2016. With your help, the Hampton Falls Police Department strives to make Hampton Falls a safe place to live, work and have fun.

Robbie Dirsa, Police Chief

Emergency: Call 911

Non-Emergency: Call 926-5752

# AMBULANCE, FIRE & EMERGENCY MANAGEMENT

With no significant building fires or natural disasters this year, and call types considered 'average,' we concentrated on training. We spent over 115 hours on training, mostly on Tuesday nights. We covered topics such as CPR, childbirth emergencies and calling Mayday for trapped firefighters. The Pease Air Guard Deputy Chief came and talked about how to handle a potential aircraft accident and where to find the 'black box' (which happens to be orange). We performed a controlled field burn to practice forestry skills, then got together with four other of our mutual aid towns and practiced moving water using various techniques. We also covered cryogenic transportation emergencies on the highway. During the fall, the EMTs completed a 24-hour weekend refresher program to renew their Emergency Medical Technician (EMT) licenses. This will be the last time we ever have to hold this type of class as the National Registry - the organization that our licenses come through, is changing to a different format on how we recertify and it will all be done as a continuing education process. The final training of the year included live fire training on old campers at Wakeda The owners had graciously donated some Campground. abandoned units so we could teach some of the newer members about such topics as: how the color of smoke gives you different clues as to what is happening with the fire, how to properly ventilate a building as well as pumping operations. Fun was had by all; there is nothing like 'live fire' training.

Some of the other events that we were involved in were American Red Cross Blood Drives in June and October. Santa made it to the Library on a fire truck in December and we provided EMT details for a bike race in October as well as the annual Turkey Trot for LAS in November. During a very windy Saturday in the fall, many members reroofed the small garage next to the Town Hall.

Chief Lord assists with removing old, weathered shingles for roof replacement to the Town Garage.

Fundraising events through the HFVFD include selling hot dogs and hamburgers at the Castleberry Craft Fairs in May and September, the annual Christmas tree sale on the Town Common in November and December, and our annual donation letter campaign in the fall. Somewhere in there, we had at least one pancake breakfast. These events helped purchase a new power stretcher cot for the ambulance at a cost of approximately \$14,000 thus giving the members a better chance to prevent a back injury. These events will continue as we add to our coffers to purchase a replacement for the 1992 E-One engine sometime in the 2019/2020 range.

The remainder of our equipment is in pretty good shape and we update items as time, budgets and technology allow. Along with the Hampton Falls Police Department, a new message board trailer was purchased at the beginning of the year, and not only does it notify speeders to slow down, it has become very handy for notifying of town events.

Emergency Management also had a productive year. After the blizzard nicknamed 'Juno' dumped about two feet of snow on us, paperwork was completed to get reimbursed and the town got back a good portion of the costs. The Town's Local Emergency Operations Plan was rewritten thanks to *many* different departments participating as well as Seabrook Power plant drills and exercises being completed successfully. I got an opportunity to travel to the National Hurricane Center in Miami. After returning home and updating files and forms, I was making all sorts of plans as Hurricane Joaquin started toward us; thankfully it went out to sea with no impact to Hampton Falls.

Our organization is still 40 members strong with an extensive amount of qualifications and knowledge and getting better all the time so that we may better assist you.

To the kids, spouses, family members and significant others of our firefighters and EMTs - THANK YOU!!! We couldn't do it without the love and support of each and every one of you.

To the Hampton Falls Police Department, Town Hall staff, Selectmen, other boards and organizations and every member of this community: <u>Thank You</u> for your support, we couldn't do it without you.

Finally, here is my standard Public Service Announcement: Smoke and CO detectors save lives – change batteries at the daylight savings time change and replace them altogether at 10-year intervals. Also, visit the web site ReadyNH.gov to get information on making a 72-hour emergency kit and sign up for Emergency Alerts so you can stay informed with emergency information.

Jay M. Lord, Fire Chief/ Emergency Management Director

### **BURNING OF BRUSH**

State Law Prohibits Residential Trash Burning Effective January 1, 2003

What Materials CAN Be Burned Outside? (Only with a permit from your local fire warden)

- Clean untreated wood
- Leaves and brush less than 5 inches in diameter
- Campfire wood or charcoal

- On-premises burning for forest prevention, agricultural, forestry, or wildlife habitat improvement
- Untreated wood from the construction or demolition of a building

Penalties for burning without a permit are punishable by fines of up to \$2,000 or one-year imprisonment, or both. The NH Department of Resources & Economic Development has enforcement authority under RSA 227L.

### What Materials CANNOT Be Burned Outside?

- Household trash
- Packaging materials
- Coated or laminated papers
- Painted or treated wood
- Coated or treated cardboard
- Animal, vegetable, kitchen waste
- Plastics
- Rubber
- Oily rags

Penalties for illegal burning of trash may include a warning, with an explanation of the ban; fines of up to \$100 for the first offense; and fines of up to \$250 for subsequent offenses. The N. H. Dept. of Environmental Services has enforcement authority under RSA 125-N.

Open burning permit. The Hampton Falls Fire Department has an answering service for burning permits and other non-emergency business. Please call 926-5752 and leave a message. The messages are checked daily around 4:00 pm.

Here is a quick review for obtaining a burning permit:

- All outside fires that are not barbecues, including chiminea, kettles and other "FREE STANDING" FIRE PLACES always require a permit regardless of the time of year and weather conditions.
- All burning must be done after 5:00 PM and the fire must be out and cold by 9:00 AM the following morning.
- Burning Permits are only good for one day and only issued the day of the fire.
- Burning permits cannot be obtained until after the site is inspected by a Deputy Fire Warden.
- Burn pile should be of a small manageable size with no material larger than five inches in diameter.
- Brush and clippings are acceptable, but leaves should be put in a compost pile.

Reminder – have on hand shovels and a garden hose to contain and extinguish the fire. The fire is not out until the ashes are cold and wet.

If you have further questions, please leave a message at 926-5752 and a Deputy Fire Warden will return your call. Thank you.

Hampton Falls Fire Wardens

### FOREST FIRE WARDEN

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The ability to obtain fire permits on line was initiated in 2015. Approximately 120 towns participated in the online system with over 4,000 permits issued. To obtain a permit on line visit www.NHfirepermit.com.The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

This past fire season burned **661 acres** which was the most recorded since 1989 when 629 acres burned. The fire season began in early April with the first reported fire occurring on April 8th. The largest fire was the 275 acre Bayle Mountain fire in Ossipee. This fire started on May 5<sup>th</sup> and burned for several days. The Bayle Mt. fire was also the largest individual fire in NH in over 25 years. There were also a number of other sizable fires in May which definitely kept NH's wildland firefighting resources stretched to the limit. These larger fires increased the average wildland fire size to 5.12 acres. As usual our higher fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New

Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2015 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

### 2015 FIRE STATISTICS

(All fires reported as of November 2015)
(figures do not include fires under the jurisdiction of the White Mountain National Forest)

| COUNTY       | STATIS | STICS      |
|--------------|--------|------------|
| County       | Acres  | # of Fires |
| Belknap      | 15.3   | 11         |

### ONLY YOU CAN PREVENT WILDLAND FIRE

\*\*\*\*\*

### BUILDING INSPECTION, CODE COMPLIANCE, HEALTH OFFICER, PLANNING & ZONING ADMINISTRATOR

Permitting remained steady through 2015. No permits for new homes were applied for during the calendar year. Renovations and additions were at the same pace as last year.

If you are thinking of starting a new building project this year, please take a moment to create a checklist of important items for review. State environmental laws and Town ordinances are the guidebooks for planning any new projects. Many areas of Hampton Falls contain protected wetlands. Wetlands are determined by soils and vegetation. Hampton Falls requires a buffer from any wetlands. Please reference Section 8 of the current zoning ordinance for appropriate setbacks. If you are contemplating a project, you may contact this office concerning zoning regulations or review a copy of the zoning book online at <a href="https://www.hamptonfalls.org">www.hamptonfalls.org</a>. The Town's website is also the place to find applications for many activities involving building, renovating or upgrading your property.

If you are contemplating an addition or renovation to the interior of your home, be aware of a requirement contained in the International Residential Code for one and two family dwellings. If you undertake this type of work, you will be required to bring your entire home up to current life safety standards for smoke and carbon monoxide alarms. Sections 314 and 315 of the IRC outline the requirements for these life saving devices. Even if you aren't planning on updating your home, it is still a good idea to review your alarm devices for operation. Most alarm manufacturers recommend replacing these devices every ten years (seven for carbon monoxide alarms). Date codes are usually imprinted on the devices to help determine age. Test them regularly.

Now is a good time to start planning as the spring will be here before you know it. If you don't have a contractor, it's time to start looking and getting references. If a contractor will not supply you a list of satisfied customers, there is a reason.

Building Inspector Mark Sikorski

Generators have become as common as lawnmowers in homeowners' garages. Power outages are a huge inconvenience in today's electronically dependent homes. If you already own one, or are considering adding it to your arsenal of tools, make sure to review safe installation and operating procedures.

Prior to 2011, there was no requirement to submit a new Individual Sewage Disposal System (ISDS) design to replace a septic system in kind. This is now mandated. Please check with this office for procedures.

Depending on the scope of your project, there are many things to consider especially if you want to add a bedroom. Don't assume that the soils can support the expansion of a septic system, especially if it is an older system. Test Pits are the only way to determine if it can support the additional loading.

If it's an addition you want to add, do you know the yard requirements or setbacks from your property lines? They vary depending on the acreage of your property.

You may have plenty of land, but do you have wetlands or poorly drained soils on or near your property? If your property falls into this category, you would need to seek relief from the Zoning Board of Adjustment which could add months to your projected start date.

Plan ahead for new projects and save time and costs. If we can't answer your questions, we will help you find the person or agency that can.

One section of the Building Code is Historic Review for Demolition for buildings assumed to have been constructed more than 75 years before the application for the demolition permit. Time must be given to allow the Committee to photograph the structure and to see if there

is an alternative which the Committee might propose to the owner to save a part of the Town's past and preserve it for future generations. In some cases, the owner may not even be aware that the structure has historical significance. The role of the Committee is advisory and not mandated. The Board members work very hard to keep Hampton Falls productive yet protected for its residents and visitors alike.

The Town is continuing its proactive approach to Eastern Equine Encephalitis, referred to as "Triple E," by contracting to spray areas prone to mosquito pools. Your personal vigilance at home is essential to lessen the chances of contracting this life altering illness by eliminating standing water on your property. Anything that can hold water (old tires, buckets, etc.) is a potential breeding pool.

In 2015, there were 175 total permits (169 in 2014) issued with a total estimated value of \$2,909,122. The total amount collected for permit fees was \$18,079.50

### **STATISTICS**

| Construction                       | Permits |
|------------------------------------|---------|
| New Homes                          | 0       |
| Renovations                        | 36      |
| Additions                          | 22      |
| Barns, Sheds, Garages              | 10      |
| Plumbing/Electrical and Mechanical | 96      |
| Misc.                              | 11      |
| TOTAL                              | 175     |

This office dedicates nearly 50% of available time performing inspections with regard to code compliance in Building, Health, and Septic applications. Consultations with residents, realtors, contractors and the general public with inquiries on building, planning, zoning and wetlands issues are also frequent.

The Building Inspector's office hours are from 8:00-12:00 AM, subject to occasional change, Monday, Tuesday and Thursday. Accommodations may be made outside of normal hours for special circumstances. If you have any questions or concerns, please contact me by e-mail at: <a href="mailto:buildinginspector@hamptonfalls.org">buildinginspector@hamptonfalls.org</a>, or call the office at 926-4618, ext. 5.

Mark Sikorski Building Inspector/Code Compliance Officer/ Health Officer Planning and Zoning Administrator

### MOSQUITO CONTROL

The epic winter of 2014-2015 lingered well into April. Snow and cold temperatures delayed the much anticipated arrival of spring weather. While winter weather may delay the start of mosquito season by a week or two, the adult mosquito emergence will catch up once the warmer temperatures arrive. In 2015, the first adult mosquitoes hatched by mid-May. The dry summer had a negative impact on anything that needed water for survival including mosquitoes. Low mosquito numbers meant fewer samples were sent to the State Lab in Concord for disease testing. Overall, the mosquito population was down from previous years.

Mosquitoes tested positive for West Nile Virus (WNV) in East Kingston, Manchester and Keene. A raven in Holderness has tested positive for WNV. One batch of mosquitoes caught in Newton and one batch in Candia tested positive for Eastern Equine Encephalitis (EEE) this season. No human cases were reported in NH. Maine reported one human death from EEE in 2015. Massachusetts had nine human cases of WNV with 2 deaths and no human cases of EEE. Nationwide, drought stricken states had little to no EEE activity in 2015. Dry conditions favor WNV. There were over 1900 human cases of WNV across the country in 2015.

Adult mosquitoes were monitored at four locations throughout town. Nearly 4800 mosquitoes were collected in light traps, identified to species, and select species were sent to the State Lab in Concord where they were tested for diseases. None of the mosquitoes collected in Hampton Falls tested positive for disease in 2015. Dragon has identified 98 larval mosquito habitats in the Town of Hampton Falls. Crews checked larval habitats 329 times throughout the season. There were 93 sites treated to eliminate mosquito larvae. In addition, 161 catch basin treatments were made to combat disease carrying mosquitoes. Spraying to control adult mosquitoes was not conducted last season.

The proposed 2016 Mosquito Control plan for Hampton Falls includes trapping mosquitoes for disease testing, sampling wetlands for larval mosquito activity, larviciding where mosquito larvae are found, efficacy monitoring, and emergency spraying when a public health threat exists. The control program begins in April when mosquito larvae are found in stagnant water such as red maple and cedar swamps, ditches, and woodland pools. Trapping adult mosquitoes begins in July. The mosquito control program ends in October when temperatures drop and daylight diminishes.

Homeowners can reduce the number of mosquitoes in their yard by emptying any outdoor containers that hold standing water such as buckets, trash barrels, and boats. Tires collect enough water for mosquitoes to survive. It is also a good idea to change the water in bird baths every two or three days.

Residents who do not want their wetlands treated our No-Spray Registry online may www.DragonMosquito.com/No-Spray-Registry or write to Dragon Mosquito Control, P.O. Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, and a description of your property with boundaries. Otherwise, your property may be treated. Anyone who submitted a request in 2015 may contact the office to reaffirm your request. Inquiries may be emailed to info@dragonmosquito.com or call the office at 734-4144. You may call or email our office for assistance regarding mosquitoes, insecticides questions about EEE or WNV. Check out our web site: www.dragonmosquito.com where you can request a larval survey, sign up for email alerts or follow us on Twitter.

> Respectfully submitted, Sarah MacGregor, President Dragon Mosquito Control, Inc. 603-734-4144

Patrolman Bruce Preston, Frank Ferreira, Jr., Lieutenant Ryan Veno, Fire Chief Jay Lord, Tim Keefe, Fire Inspector Jon True

### **HIGHWAY SAFETY COMMITTEE**

The Highway Safety Committee met a few times during the year to discuss items brought to us by citizens or other town departments. Topics such as visibility requirements for driveways, speed limits, signage for neighborhoods and the Avesta senior housing project on Brown Road were addressed.

If you have a concern regarding a road safety issue please forward it to me at the Fire Station or the Town Hall. The issues will then be discussed at the next Highway Safety Committee meeting with recommendations being passed along to the Selectmen for action.

Jay M. Lord, Chairman

\*\*\*\*\*

### HIGHWAY DEPARTMENT

2015 was my seventh year serving as the Town's Road Agent. My responsibilities include: emergency repairs, winter road maintenance, road construction, road maintenance and safety measures.

Emergency repairs result from vandalism, accidents and acts of mother nature and involve the repair and/or replacement of guardrails, road shoulders, street and safety signs, removing dead limbs and fallen trees from the roadways, filling pot holes and closing off roads in times of floods and accidents.

Road Agent Dick Robinson clearing a beaver dam on Sanborn Road.

2015 marked the second year of the five-year agreement with Environmental Landscape Management (ELM) for snow removal. Three upfront payments are made in October, November and December; the final payment being no later than April 30, 2015. Payments to the contractor are based on a per inch schedule up to 78 inches; inches 79 and above paid at a reduced rate. The Agreement term is for the winter season years 2014 – 2019.

In 2015, Covanta Disposal approached the Town with a proposal to provide a shed for the purpose of disposing mercury products. The new shed is located at

the Brush Dump. Proper disposal of mercury products will begin in the spring of 2016.

I serve as an advisor to the Board of Selectmen on snow removal issues and work directly with the snow removal contractor. We continue to monitor the use of salt on our roads to make sure that just the right amount is used to make the roads safe and passable and to prevent potential pollution. This year we took the state bid for road salt through Morton Salt at \$54.38 per ton.

Selectmen continue to utilize the information from Axiomatic, LLC (formerly the University of New Hampshire Technology Transfer Center (UNH T2)), in road inventory data collection, identification of pavement conditions, and operation of Road Surface Management System (RSMS) software. A survey team of civil engineers performed the road condition survey and analysis in 2015.

Working from RSMS reports, town officials can prepare a detailed comprehensive long-term work and Budget plan. The survey team identified road sections based on changes in road geometry, pavement condition, and traffic volume relating to the **26.44** miles of paved roads.

Currently a great number of paved local roads in Hampton Falls, NH (referred to as the Town) are in need of repairs. At this time capital improvements and road maintenance budgets are inadequate to meet these needs. The Town's roads are deteriorating more rapidly than the Highway Department can maintain and reconstruct them. The Town recognizes this problem and is working toward repairing section of roads by cutting and patching until such time as funding is available to pave.

In 2010, a capital reserve fund was established for the maintenance of the town roads and voters approved a deposit of \$45,000 that year and \$55,000 in 2011, 2012 and \$95,000 in 2013; \$150,000 in 2014. Voters will be asked to raise and appropriate \$150,000 to add to this fund in 2015. In 2016, the amount of \$250,000 is requested.

In 2015, road work included paving of portions of Drinkwater Road and cutouts on numerous other roads per the road survey report. Crack sealing did not take place in 2015. Paving of aprons at certain intersections and shoulder work throughout Town continued. In addition, traffic lines on the newly paved sections of Drinkwater Road and Brown Road were painted. A yearly maintenance program for all the roads is important for their longevity as well as for public safety purposes. Trees and limbs are addressed annually and roadside mowing and brush cutting was completed in the late summer.

### SOLID WASTE & RECYCLING

### **Solid Waste Ordinance and Fee Schedule**

In 2015, the voters approved the Town's revised Solid Waste Ordinance. The Solid Waste Ordinance has been updated, after 20 years since adoption, to include a fee schedule. Copies of the document can be obtained from the Town Hall or the Town's web site.

### **Brush Removal**

The town Road Agent worked with a local contractor for the removal of brush from the brush dump at a cost of a tank of fuel in 2015. Funds are part of the Solid Waste Disposal budget should this opportunity become unavailable.

### **Cardboard Recycling**

Cardboard recycling units located at the rear of the Public Safety Building at 3 Drinkwater Road are available for use by residents. Selectmen request that residents flatten the boxes before placing them in these containers and request that only cardboard be disposed at this location and no other solid waste; other waste contaminates the load. Please note that no waste of any kind is to be left at this location or the Brush Dump. A sign prohibiting dumping of waste has been posted-Police Take Notice.

### Cleanup Days - spring and fall

The annual spring and fall household waste cleanup days (formerly known as White Goods Day) are held in May and October. The day begins at 8 a.m. and ends at 2 p.m. Fees are charged for the disposal of electronics, tires, and units containing Freon and propane tanks. Electronics recycling will *only* be available at the spring collection beginning in 2016 due to the low number of electronics being recycled and the cost of the container. Residents must have a dump sticker to use the Brush Dump or the cleanup days. Stickers, valid for three years, are on sale at the Town Clerk's office for \$30.

Special thanks go to those members of the Hampton Falls Fire Department and citizens who volunteer during these events.

The Town's contract for weekly collection of rubbish and recyclables was renewed on July 1, 2015; the contract being awarded to Pinard Waste Systems, Inc. In conjunction with the renewal of the collection contract, the Board of Selectmen entered into a five year agreement for disposal with Covanta. The Town of Hampton Falls also withdrew from the Southeast Regional Refuse Disposal District (53B) in 2015.

### **Recycling Unit at Brush Dump**

Selectmen have authorized the placement of a comingled recycling container at the Brush Dump for those who might miss weekly recycling pickup. The container is inside the gates of the Brush Dump and is only available on Saturdays when the Brush Dump is open (Saturdays beginning April 1 through November end, 8 am to 2 pm).

## Rules for the Disposal of Used Petroleum Oil At the Hampton Falls Brush Dump

- 1. Only residents of Hampton Falls may participate in this program.
- 2. Please call (926-5752) for an appointment Monday through Thursday before delivering the used oil
- 3. Used oil must be in clear containers, no larger than 5 gallons.
- 4. Residents must identify their name and phone number on the container. (We provide stickers.)
- 5. The Town appointed agent inspects the used oil before accepting it for disposal.

### **Solid Waste & Recycling Committee**

Erik Caldwell, Mike Hastings and Ken Nydam are members of the Solid Waste and Recycling Committee. It serves to advise the Board of Selectmen of regional, long term solutions to solid waste and recycling disposal.

### **Committee Mission Statement**

- 1. To consist of three residents of the Town of Hampton Falls.
- 2. To elect officers, delegate assignments, and take other actions as may be deemed necessary by a vote of the majority provided a quorum is present.
- 3. To comply in all respects with the provisions of RSA 91-A, the NH Right to Know Law.
- 4. To call upon the services of the Town Administrator for administrative assistance as may be necessary.
- 5. To make a recommendation to the Board of Selectmen as to whether or not the Town should make a commitment (or enter into a long-term agreement) for a single stream recycling program as part of the Concord Regional Solid Waste Resource Recovery Cooperative.
- 6. To research alternative solid waste (trash) collection methods and the comprehensive costs related thereto.
- 7. To assist with the bidding process upon the expiration of the existing Solid Waste Agreement.

- 8. To propose and/or evaluate existing and new regulations for waste disposal in the Town of Hampton Falls, including modifications to the current Solid Waste Ordinance.
- 9. To undertake other solid waste and recycling related investigations and projects upon the request of the Board of Selectmen.

### **Collection Statistics**

| Year  | Rubbish- Tons | Recyclables - Tons | Scrap Metal |
|-------|---------------|--------------------|-------------|
| 2010  | 851           | 211                |             |
| 2011  | 828           | 259                |             |
| 2012  | 773           | 241                |             |
| 2013  | 592           | 237                | 13          |
| 2014  | 712           | 280                | 10          |
| 2015* | 344           | 158                | 8.9         |

<sup>\*</sup>rubbish and recycling totals for 2015 represent the months of July through December only. Tonnage for the first six months of the year has not been reported to the Town by Northside Carting, the previous contractor.

### Lori A. Ruest, Town Administrator

### **BRUSH DUMP**

The following statistics show the number of vehicles hauling brush to the brush dump - corner of Drinkwater and Parsonage Roads. The brush dump is open Saturdays from 8 a.m. to 2 p.m. beginning April 1 and closing the last Saturday in November for leaves, brush and grass clippings only and on the first Saturday in January for Christmas trees.

### **Brush Dump Use**

James Manning, Attendant

### **WELFARE**

Welfare Officer Sue Benoit received a number of inquiries for assistance in 2015, resulting in a total cost of \$1,919.61.

When an applicant needs food, referrals are made to Rockingham Community Action, the Church of Christ in Seabrook, the Salvation Army and St. Vincent DePaul in Hampton. These organizations provide food and/or clothing on an emergency basis. Clients are required to apply for food stamps at the Portsmouth Office of the NH Dept. of Health and Human Services.

During the winter season, applicants are referred to the Fuel Assistance Program at Community Action. In some cases when payments are made, reimbursement must be made to the Town in cash.

As there are few rental units in Hampton Falls, referrals are made to Coordinated Access for Homeless on the Seacoast for temporary housing and to the NH Housing Finance Authority for permanent housing.

The Board of Selectmen has adopted NH Municipal Association's guidelines for the administration of welfare and contract with a professional welfare agent to process all applications.

### PARKS AND RECREATION COMMISSION

The Hampton Falls Parks and Recreation Commission had a busy and productive year in 2015 achieving its goal of offering recreational activities and events for Hampton Falls' citizens of all ages.

The Board is made up of long-time Commission members and new members, and we are always looking to add citizens interested in developing new programs as

<sup>\*\*</sup>Counts not reported at time of printing

<sup>\*\*\*</sup>Special storm opening

new members or volunteers. The current Board consists of Mark Lane, Chairman, Peter Robart, Treasurer, Lyn Stan, Larry Smith, Pam Fitzgerald, Todd Santora, Don Janik, and Gary Martin. The Board is also fortunate to have Maureen Hastings as Secretary.

Some of the significant activities offered by the Commission in 2015 included the Christmas tree burn in January at the Raspberry Farm. This event included sledding, skating and snacks around a bonfire.

The Summer Camp program is an annual program offered to Hampton Falls children in July. The camp, which is organized by LAS art teacher Stacy Bellen had four one week sessions which includes daily games and activities, and, new this year, entertainment from local, popular children's music and performance companies.

The Farmers Market, organized by Sue Veilleux, offers fresh fruits, vegetables and more from local vendors on the Town Common each week during the late summer and fall.

The Commission offered an adult yoga program taught by Sherry Evans for the first time in 2015. Yoga classes included three six-week sessions taking place at the Town Hall during the fall and winter months.

The Commission introduced the first annual Christmas Tree Lighting at the Town Common this year. The event included caroling, food, and, of course, the lighting of the Christmas tree was a great success. The event was organized by Tuesday Orluk and Stacie Oshberg.

Another important role that the Hampton Falls Parks and Recreation Commission plays is the management and maintenance of the Town Common and Governor Weare Park playing fields, including scheduling all games, camps and events at Governor Weare Park. The Commission continues to look at new recreational and event opportunities for all citizens of Hampton Falls to include continuing work with LAS to utilize space for potential recreational activities, as well as looking at opportunities to take advantage of great Town-owned properties such as the Raspberry Farm and the landing at The Depot. Activities we have discussed introducing include Cross Country Skiing, Kayaking, Pickle Ball, Ball Room Dancing and many more. We also look forward to the first annual Arts on the Common coming in June.

Any citizens interested in joining the Board or volunteering to help organize events should contact the Commission and plan to attend meetings held on the third Monday of every month at 6 pm at the Town Hall.

Mark Lane. Chairman

### TOWN IMPROVEMENT COMMITTEE

In 2015, the Town Improvement Committee continued to work on a variety of town projects. Members of the Committee include Larry Smith, Jack Fermery, Dick Robinson, Wayne Barker and Peter Robart serving as Chairman and Secretary. Town Administrator Lori Ruest attends meetings and servers as an advisor.

In 2013, the Town Improvement Committee was asked by the Board of Selectmen to help oversee work on the Hampton Falls Historical Society Museum (formerly known as the Old Library). In 2015, we continued museum work. You may have noticed the amazing handicap ramp which was built as part of an Eagle Scout Project by Christopher Shek and his father. This ramp was not part of the Improvement Committee's scope of work, however, it has added so much to the exterior appearance of the Museum.

This year, we elected to have work done on the slate roof. Fortunately, the roof work wasn't nearly as expensive as it could have been. The work included replacing missing slate shingles and repairing or replacing flashing. No real damaged areas were found which would have required large scale slate shingle replacement. We feel better about the overall condition of the roof after having it repaired.

A variety of smaller projects were completed including repairing the gaps and cracks in the original stone foundation. As we continue to work on the Museum, we remain impressed with the overall condition of the building. In 2016, we plan to replace the fiber cement siding on the north side; this is the only side that has not been replaced. We also hope to complete some additional work on the front entrance area.

Through the urging of Jack Fermery, who is a retired architect, it was decided to get the existing truss system in the Town Hall attic inspected by a structural engineer. By way of an approved warrant article, we secured funding for the inspection, and, if problems were detected, the ability to take corrective actions. The engineering firm of JSN Associates of Portsmouth was hired to conduct the inspection.

Again, we were very fortunate to discover the trusses did require some work. The problem will be relatively easy to correct. We ordered and received special long screws to reinforce the existing roof purlins. The reinforcing wood is there but was found to be inadequately fastened. This work should be completed by volunteers before the end of January, 2016.

The Town Improvement Committee again emphasizes that most of the landscaping and labor along with many plants and landscaping materials provided for the Town Hall and Town Common have been donated by town citizens and private donations. Forever grateful, we continue to thank Jack and Carol Fermery as well as Pam Fitzgerald for the significant effort they have put into landscaping the Town Common and Town Hall over the years.

In 2015, a professional landscaper was hired to help with the maintenance of the of the Town Hall gardens. Jack Fermery has for years donated plants and much labor making the Town Hall as beautiful as it looks today. Before Jack and other volunteers began on the Town Hall gardens, they looked a bit neglected. It seemed reasonable now to get Jack some reliable help. It is preferable to do this gardening work with volunteers; however, we found we cannot always rely on volunteers for certain projects. We are always interested in finding new members and donors who are motivated in improving our Town through volunteer projects.

The Committee is still soliciting contributions to install a border and pavement around the grass perimeter of the Town Common. This project has not been a priority in the past few years; however, we hope to get back to it sometime in the near future. It should give our beautiful Town Common the finishing touch it deserves!

Peter Robart, Chairman

### **SCHOLARSHIP COMMITTEE**

Each spring, Hampton Falls students who are attending public or private high schools are recognized for their exemplary character and strong work ethic. Scholarships are awarded based on the academic, athletic and community achievements of these applicants. Sixteen thousand two hundred dollars was

distributed to these college students who successfully completed first semester requirements.

The Helen F. Batchelder Scholarship was awarded to the following: Joseph Hackett, Lauren MaKechnie, Cameron Szymczycha and Kerrie Ward. Haley Merrill and Kendall Markland received the Hampton Falls Grange Award. Justin Roberts was the recipient of the Richard B Sanborn Award. The Hampton Falls Cable Television (Comcast) money, totaling twelve thousand dollars was distributed among the following students: Adam Janik, Luke Janik, Haley Merrill, Emma Ratigan, Justin Roberts, Peter Shaw, Madison Stetz and Michael Strabone. To all of these industrious, ambitious young men and women, we, the Trustees, extend congratulations!

For parents and students, the average cost of tuition is over fifty thousand dollars. The monies awarded through scholarships are hardly large sums, but they do provide limited financial support. As important is affirmation of the applicant's achievements. In June, the Comcast contract was under renewal. Authority was given to the Town Administrator to explore options. The franchise fee for scholarships, voted in and formally established in 1997, was deemed an illegal use and the Selectmen dissolved the scholarship. As of December 31, 2015, the Hampton Falls Media Scholarship Fund has a balance of \$179,851.91. The Trustees submit this annual report with concern and real sadness that future student applicants could be denied this same opportunity.

Tracy Healey- Beattie, Chairperson Helen F. Batchelder Scholarship Fund

View of the Library from the Public Safety Building; 2015 was a significant snowfall winter season. The area between the Public Safety Building (known as the former Creighton land) was considered by the Board of Selectmen as a "snow dump" area should the need arise.

RSVP provides opportunities for persons age 55 and over to serve on a regular basis. RSVP volunteers serve through organizations, agencies, and institutions designated as volunteer stations - courts, schools, libraries, day-care centers, hospitals, nursing homes, economic development agencies, and other community service organizations. | 100                        |
| Rockingham<br>Community<br>Action                             | 431-2911             | Community Action provides a wide range of services that are unduplicated in the county. These services meet immediate, critical needs, while others are designed to help families achieve long-term economic self-sufficiency.                                                                                                                                                                                                                                | 2,800                      |
| Rockingham<br>Nutrition/Meals<br>on Wheels<br>Seacoast Mental | 679-2201<br>433-5078 | RNMWP provides meals for residents, the elderly and disabled. The nutrition program provides hot noon lunches at the Seabrook Community Center, five days per week and some meals are delivered to the homebound.  The SMH provides comprehensive mental health services and offers reduced fees                                                                                                                                                              | 500                        |
| Health  Seacoast Visiting Nurses                              | 926-2066             | for those in need.  Seacoast VNA provides home health and community services. An episode of care is a period of no more than 60 days in which the patient receives all the home health services required to maintain the patient at home safely. Each patient's plan of care is specific to the patient and their medical needs and is ordered by their primary physician.                                                                                    | 1,100<br>5,510             |
| Seacoast Youth<br>Services                                    | 474-3332             | Seacoast Youth Services provides community and school-based services and support for at-risk youth and their families. This includes drug/alcohol prevention education and intervention, youth leadership training, community service opportunities, anger management and self-control skills education, youth support groups, parent/guardian support, after school programs and education and family assistance.                                            | 1,500                      |
| Sexual Assault<br>Support<br>Services                         | 888-747-<br>7070     | Sexual Assault Support Services supports victims/survivors to heal from the trauma of sexual assault and childhood sexual abuse, while strives to prevent the occurrence of sexual violence in local communities and in society at large. Education programs and teacher-training and police-training events were held.                                                                                                                                       | 540                        |
| NH SPCA                                                       | 772-2921             | The New Hampshire Society for the Prevention of Cruelty to Animals provides care and shelter for over 3,200 animals at its Stratham location. It takes animals from the region and places them into good homes, assists animal control officers, educates children and adults about the humane treatment of animals.                                                                                                                                          | 1,000                      |
| Transportation Assistance For Seacoast Citizens               | 926-9026             | Hampton Falls is one of eight communities served by TASC's corp of volunteer drivers who provide rides to senior citizens and other adults whose health prevents them from driving                                                                                                                                                                                                                                                                            | 475                        |

### LIBRARY TRUSTEES

### 2015 – The More Things Change, the More They Stay the Same

Over the course of the year, the Library added 1576 books, audio books and DVDs to its collection. The Trustees spent significant time reviewing and updating our USA Freedom Act, Internet and Computer Use policy, Meeting Room policy, Displays and Exhibits policy, Trustee By-Laws, plus policies for Privacy, Subpoena and Search Warrants, and Investments. Guided by our technology plan, the Library's staff computers were upgraded.

In addition to maintaining our subscriptions to Learning Express Library, Mango Languages, Ancestrylibrary.com and Heritage Quest for personal enrichment, and to NH OverDrive to access audio books and e-books, the Library also subscribes to World Book Encyclopedia.

To better develop the Librarians' technical skills, the Library subscribed to TeachUComp, a cost-effective on-line training service that provides access to a variety of software tutorials. NH State Library sponsored conferences and workshops also provided additional access to ideas and skills.

In addressing our building's needs, the Library had several estimates from carpenters, painters, and roofers for a new roof, power washing and painting the exterior, and replacing trim boards with Azek as requested by the Capital Improvements Committee to anticipate and budget for larger expenses.

The Library secured two grants from the NH Humanities Council for a program in May with Prof. Douglas Wheeler on "George Washington Spied Here" and in October with Glenn Knoblock on "Brewing in NH." In addition, the Library obtained a grant from the Boston Museum of Science for the Traveling Program Scholarship for the Summer Reading Program. Throughout the year, the Library sponsored free and low cost programs featuring local experts included oil painting demonstrations, increasing safety at home, forest management, beading and basket-making. Once again we received a donation from the Hampton Rotary Club for the Summer Reading Program. Our book sale, bake sale, and craft fair earned additional funds for programs and new materials. News of Library doings was and is promoted on our web site, our Facebook page, our monthly calendar, our sign boards, through our e-mail list and in Hampton Falls Living. The Library maintained its membership with the Boston Museum of Fine Arts and the American Independence Museum in Exeter. In turn, the Friends of the Library hosted pizza fundraisers at the Community Oven and Flatbread in Hampton which provided museum passes to the Currier Museum, Strawbery Banke and the Seacoast Science Center. The Friends helped to pay for summer reading programs and prizes, and purchased a patio umbrella for the Library's Reading Garden. The Friends also sponsored several evening programs, e.g. Peter Randall on "Celia Thaxter's Garden," Chris Schadler on "Becoming Wolf: The Eastern Coyote in New England" and Aaron Krerowicz with "The Beatles: Band of the Sixties." Amy VanderEls and her niece and nephew approached the Friends about sponsoring a bicycle challenge for the summer which was incredibly successful and better educated residents about their Town's streets and roads!

The Library continued its focus on educational and cultural events as Librarian Carol Sanborn added a weekly Kindergarten story time and an extremely popular monthly Lego program to her schedule. Carol deepened her relationship with LAS by conducting story times at their Summer Camp and working closely with LAS Library Media Specialists. Summer Reading Programs were well-subscribed and well-attended; Judy Haskell continued to lead the monthly Book Discussion Group for grownups, which has grown in size over the last year.

Thanks to the extremely generous donation of \$25,000 from local resident Ann Haggart, the Library contracted with Tucker Library Interiors of Manchester to reconfigure the interior to maximize flexible usage, which arrived in February. In the course of a weekend, we were able to move existing furniture and more than a hundred boxes holding the contents of many shelves in order that the movers could reconfigure and set up new shelving and bring in new tables, chairs, and upholstered furniture. This could not have happened without the invaluable help from the staff, Trustees, J.P. Pontbriand and several incredible Boy Scouts. May you always prosper! The Library was also able to purchase state-ofthe-art audio/video equipment, which has been used for a number of presenters and programs. A generous bequest from M. Helen Akerman was gratefully received by the Board of Trustees during the summer and will be put to use in the future.

Amy Magnarelli, **Judy Haskell**, Linda Coe, John Ashak, Beverly Mutrie, Laura Pouliot, Richard McDermott, Beth Forgione

Long-time Director Judy Haskell announced her impending retirement in early fall so a search committee for a new Director formed, and, after a round of interviews, selected staff member Barbara Tosiano to lead the Library in 2016. Library Aide Joan Deveney retired in November, and her position has been capably filled by substitutes Rosemarie Deegan and Leah Knowlton.

Library Director Barbara Tosiano

The Library is fortunate to have the support of so many individuals and businesses – our gratitude is deep! In alphabetical order, they are David and Elaine Ahearn, the family of Mary Helen Akerman, Marisa Almeda, Lt. Larry Anderson, John Ashak, Frank Aurelio, Nancy Axelson, Marilyn and Paul Ayles, Debra Bailly, Susi Burke, Barbara and John Burns, Linda Coe and David Coe, Sandy Davies, Judy Deshaies, Chief Rob Dirsa, Carol Doucette, John Doyle, Carol and Jack Fermery, Beth Forgione, Marietta Garavaglia and Ted Tocci, Javier Gil, Kerri Hanson, Shawn Hanson, Stacie Hanson, Lisa Hayes, Karen Heberle, Denise Hemond, Paul Hemond, Sam Hemond, Sue Herson, Kathryn Job, Bill Kenney, Stacy Kinnaly, Jodi Kriner, Jill Lennox, Fire Chief Jay Lord, Amy Magnarelli, the Mah

Jong ladies, Richard McDermott, Marcia Medford, Kim and Paul Michael, Beverly Mutrie, Margie O'Donnell, Donna and Tom Onacki, Shelly Parish, Nadine Perry, Cora and Gabe Pimentel, Laura and Michael Pouliot, Deborah Regan, Alisha Roberts, Town Administrator Lori Ruest, Tim Samway, Gregg Sanborn, Hugh Schrier, Jane Shanahan, Building Inspector Mark Sikorski, Sheila Tanguay, Traci Thompson, Abby Tonry, Danny Tosiano, Marc Tosiano, Kari Tweito, Cam and Anderena Wallace, Lori Ward, T.J. Wheeler and Jonathan and Paige Witham.

In addition, we thank the following businesses for their generous contributions: Boston Museum of Science, Captain's Cove Adventure Golf, Coastal Living Hardware, Color Notes Art Gallery, Dodge's Agway, Drinkwater Flowers & Design, Exeter Area General Federation of Women's Clubs, Hampton Falls Scout Troops, Hampton Falls Village Market, Hampton Rotary, Hannaford Supermarket, Las Olas, The Old Salt Restaurant, Philbrick's Fresh Market, Prim Fashion Boutique, Quicksilver Fine Jewelry & Gifts, WalMart of Seabrook, and Winnacunnet Interact Club Volunteers. Your continued support is greatly appreciated.

### **AMERICAN LEGION POST 35**

American Legion Post 35 of the Hamptons has continued to be very active in the Hampton Falls community. The Post conducts the annual Memorial Day & Veterans Day ceremony on Weare / Town Common. Participating in the Memorial Day ceremony was the Winnacunnet High School Band, WHS MCJROTC color guard, the Lincoln Akerman School

Chorus, Reverend Ken Lawrence of the Hampton Falls First Baptist Church, and guest speaker Rear Admiral Tom Richards, USN, RET, a former Navy SEAL. After remarks by RADM Richards, members of Post 35 placed a wreath, tolled the bell and rendered a 3 volley rifle salute in honor of the fallen.

Veterans Day Service on the Town Common 2015

Post 35 provides veterans the opportunity to share their experiences with the students of the Lincoln Akerman School during Veterans Day; they also offer the Roland Paige Scholarship, which provides \$500 scholarships to two Winnacunnet High School seniors.

Post 35 is involved in the Hampton Falls Summer Concert Series, providing the concession stand in addition to co-sponsoring two car shows in with the Kustom Kings car club.

Post 35 conducted the annual Veterans Day with the guest speaker LT Bruce Aquizap, USN, RET, a former crew member of the Navy's first nuclear powered submarine, USS Nautilus. Also participating was Reverend Ken Lawrence and soloist Jessica Moriarty.

Wayne Barker, Forrest Brown, Dick Robinson, Bob Woodes

Legion member Robert Woodes is in charge of placing markers, flags, and geraniums on all veterans' graves. He has carried this tradition for over ten years.

### **HISTORICAL SOCIETY**

It has been another very busy, productive year for the HFHS. We are on a mission to create a professional, beautiful museum telling the story of Hampton Falls. To that end, we have made improvements in and outside the building, refined the collection, worked on a strategic plan for the future, and continued to strengthen our connections with other local societies, LAS, our members and the community. Here are some details.

Our Museum is one of the most beautiful buildings in town and we are dedicated to caring for it. We continue to battle a mold problem but we will win. We installed new museum quality window roller shades and renovated the kitchen and added a stove and larger refrigerator. Eagle Scout Chris Shek built a new handicap accessible ramp to the side door. We have always known the museum is a gem but now the whole state will find out, thanks to David French and the Heritage Commission for getting the Museum listed on the State Register of Historic Places.

Our outreach to the community included the annual Coffee on the Commons for Memorial Day and LAS students visited the Old School House. For a little hosted education. we Steve Taylor, Commissioner of Agriculture for NH and a dairy farmer himself, who gave a wonderful talk on the history of dairy farming in New Hampshire. After his talk, we had three local dairy farmers, Forrest Brown, Steve Marston and Charles Burwell give more details about dairying in Hampton Falls. The program ended with a make your own ice cream sundae and root beer float extravaganza. Thanks to Applecrest for donations of food and items for the gift basket raffle.

We invited the Seabrook Historical Society, Hampton Historical Society and Rye Garden Club to our December meeting for a delicious buffet dinner and Janice Marston Jassmond told us all about her ancestor, Warren Brown, and his house, Sunnyside. All were invited to view the Society's dollhouse which is a replica of Sunnyside.

For a small group of volunteers, we have been really busy and accomplished a lot more than I am able to outline here. We have some momentum going into 2016. Big plans include organization of the Old Schoolhouse to better showcase its history as a school, grain store and post office and a really ambitious exhibit on salt marshes. Look for our grand opening around June and be prepared to be amazed. See you at the museum.

Cindy Wojcicki, President

### **CONSERVATION COMMISSION**

The Conservation Commission extends its sincere appreciation to Bobbi Burns for all her hard work and effort as Chairperson of the Conservation Commission since 2013. Bobbi volunteered numerous hours organizing and attending meetings, recording minutes, organizing road side cleanup, and many day-to-day tasks necessary to keep the Commission running like a top. Thank you Bobbi!

In 2015, the Hampton Falls Conservation Commission focused on making the current conservation lands more accessible to Town residents and responding to conservation related issues. The focus will continue in 2016.

Paul Melanson continued his work with the statewide Coastal Risk and Hazard Commission which focused on preparing the state for impacts of rising sea levels. Shawn Hanson and Candace Dolan represented the town as members of the "Seabrook-Hamptons Estuary Alliance." The Alliance continued its work to educate residents on potential impact of rising sea level. Josh Hemond has committed to construct a map and trail kiosk at both the Raspberry Farm and Marsh Lane trail head as his Eagle Scout project. We look forward to working with Josh in 2016 on completing his Eagle Scout project.

Raspberry Farm continues to be maintained through the volunteer efforts of Glenn Schrempf. Glenn hayed the property, maintained the parking area and assisted with other general maintenance items.

A Contract was finalized with Ron Klemarczyk, licensed Forester from FORECO LLC, for a selective cut of Raspberry Farm and parts of the Town Forest. FORECO also completed work on a Forest Management Plan which will serve as a tool for the ongoing health of our Town Forest and Raspberry Farm conservation land. Since the weather did not cooperate last winter, the selective cut will take place in 2016 (weather permitting) providing opportunity for more trails and improvement to wildlife habitat.

Marsh Lane Trails: The Commission is in need of volunteers for cutting back vegetation along the trails and trail marking, since the property grows back so quickly. Again this year, the Boy Scouts managed the flytrap installation and maintenance at the Depot. The Town's annual Earth Day Roadside Cleanup was once again a success. Special thanks to David Gandt for providing several new litter pick sticks. The Commission would like to thank all of the volunteers for their great efforts.

Updated wetland setback regulations passed at Town meeting are now part of the Town's Zoning Ordinances.

Thank you to everyone who helped out in 2015. Your services, expertise and enthusiasm for the Town are very much appreciated. The Conservation Commission meets at the Town Hall the second Thursday of each month at 6:30 p.m. Join us if you can. We are always looking for input and volunteers.

Shawn Hanson, Chairman

### **ENERGY COMMITTEE**

The Hampton Falls Energy Committee (HFEC) does not hold regularly scheduled meetings but supports school and town energy needs as necessary.

Assistance was provided to the Fire Chief with regard to the co-generation heating system at the Public Safety Building. Budget funds were approved to conduct an evaluation and review of the system to determine its functionality and efficiency. Once the system is properly programmed, the town will benefit from efficient heating and the generation of electricity which may be credited back to the town.

The HFEC is comprised of Shawn Hanson, Beverly Mutrie, John Ratigan, Tony Delano, Scott Bieber, Steve Sabatini, Tom Baker, and Joe Minai.

Tony Delano, Chairperson

In December, members of the Volunteer Fire Department and its emergency equipment greeted the parade of escort vehicles for the Wreaths Across America effort from overhead on the Route 88 overpass as the parade travelled below on U. S. Route I-95 from Maine to Massachusetts. As they travelled through Hampton Falls, New Hampshire, Wreaths Across America participants were acknowledged by a salute of the Fire Department members and other Town Officials and a sounding of horns in support.

# In accordance with RSA 40:13 II

"Final budgets and ballot questions shall be printed in the annual report made available to the legislative body at least one week before the date of the second session of the annual meeting."

#### TOWN OF HAMPTON FALLS

## Annual Town Meeting - First (Deliberative) Session Saturday, January 30, 2016

### **TOWN WARRANT**

To the inhabitants of the Town of Hampton Falls in the County of Rockingham in the State of New Hampshire, qualified to vote on Town affairs:

You are hereby notified to meet in the Lincoln Akerman School Gymnasium, Exeter Road, on Saturday, January 30, 2016, 9:00 a.m., for the first session of the Annual Town Meeting for the transaction of business other than voting by official ballot. In the event of a severe snow/ice storm, the meeting will be held on Monday, February 1, 2016, 6:30 p.m., Town Hall, 1 Drinkwater Road.

In accordance with the adoption of Article 4 in the 2003 Annual Town Warrant (pursuant to RSA 40:13), the second session of the Annual Town Meeting to elect officers by official ballot and to vote on questions required by law to be inserted on the official ballot, shall be held on **Tuesday**, **March 8**, 2016 at 8:00 a.m. at the Town Hall, 1 Drinkwater Road. The polls will not close before 8:00 p.m.

Further, you are hereby notified that the Moderator will process absentee ballots on **March 8**, **2016**, at **1:00 p.m.**, pursuant to RSA 659:49.

Article 1: To choose all necessary town officers for the year ensuing.

#### Majority vote required

<u>Article 2:</u> Are you in favor of the adoption of the following amendments to the existing Hampton Falls Zoning Ordinance Article I – Purpose and Definition, Section 4 – Definitions, following "Agricultural Animals" add the following two definitions: "Agriculture" As defined by State RSA 21:34-a; "Agritourism" Means attracting visitors to a working farm for the purpose of eating a meal, making

overnight stays, enjoyment of the farm environment, education on farm operations, or active involvement in the activity of the farm which is ancillary to the farm operation?

A full copy of text is available for review at the Town Hall and on the town's website at hamptonfalls.org.

#### This article cannot be amended at the Deliberative Session.

#### Recommended by the Planning Board

<u>Article 3:</u> Are you in favor of the adoption of the following amendments to the existing Hampton Falls Zoning Ordinance Article III – District Regulations, Section 4 – Table of Uses for Hampton Falls Zoning Districts, C. Agricultural/Forestry, 1. Agriculture, under Supplemental Regulations, amend to read – RSA 674:32-a, b, and c; and add

2. Agritourism PPPPPSee Definitions section for uses allowed under this category and renumber remaining items in Agriculture/Forestry category?

A full copy of text is available for review at the Town Hall and on the town's website at hamptonfalls.org.

## This article cannot be amended at the Deliberative Session.

## Recommended by the Planning Board

Article 4: Are you in favor of the adoption of the following amendment to the existing Hampton Falls Zoning Ordinance Article XI Administration, Section 3 – Zoning Board of Adjustment, 3.3.6.5 – replace ... identified in Article III, 3.1.5. with ... as defined by NH State RSA 21:34-a.? Thus the amended would read: 3.3.6.5. None of the foregoing shall apply with respect to any operation usual and normal to an Agricultural Use as defined by NH State RSA 21:34-a? (Currently 3.1.5 does not exist in Article III, thus this correction is needed.)

A full copy of text is available for review at the Town Hall and on the town's website at hamptonfalls.org.

#### This article cannot be amended at the Deliberative Session.

### Recommended by the Planning Board

Article 5: "Shall the Town of Hampton Falls raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,493,925. Should this article be defeated, the default budget shall be \$2,496,870 which is the same as last year, with certain adjustments required by previous action

of the Town of Hampton Falls or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only." (This warrant article does not include appropriations in any other warrant article.)

<u>Article 6:</u> Shall the Town vote pursuant to RSA 72:39-b, to modify the elderly exemption from property tax in the Town of Hampton Falls based on the assessed value for qualified taxpayers and the qualifying income and asset limits to be as follows:

Beginning with the 2016 tax year, shall we modify the elderly exemptions from property tax in the Town of Hampton Falls, based on assessed value, for qualified taxpayers, to be as follows?

for a person 65 years of age up to 74 years, \$125,000; for a person 75 years of age up to 80 years, \$145,000; for a person 81 years of age and older, \$165,000.

To qualify, the person must have been a New Hampshire resident for at least 3 consecutive years and own and occupy the real estate individually or jointly; or if the real estate is owned by a spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$39,000; or if married, a combined net income of not more than \$59,000; and own net assets not in excess of \$190,000 excluding the value of the person's residence.

Current and Proposed Elderly Exemptions by Age Group

|          | <u>65-74 years</u> | 75-80 years | 81 plus years |
|----------|--------------------|-------------|---------------|
| Current  | \$115,000          | \$135,000   | \$155,000     |
| Proposed | \$125,000          | \$145,000   | \$165,000     |

#### Current and Proposed Income Levels and Net Assets

|          | Single   | <u>Married</u> | Net Assets |
|----------|----------|----------------|------------|
| Current  | \$37,000 | \$57,000       | \$185,000  |
| Proposed | \$39,000 | \$59,000       | \$190,000  |

## **Default Budget: Hampton Falls**

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

| First Ses | ssion of Annual Meeting (Deliberative Session):                                                                                                                                            |
| Date:     | Tuesday, February 2, 2016                                                                                                                                                                  |
| Time:     | 7:00PM                                                                                                                                                                                     |
|           |                                                                                                                                                                                            |

Location: Lincoln Akerman School Gymnasium

Details: To explain, discuss, debate and possibly amend the following warrant articles.

Second Session of Annual Meeting (Official Ballot Voting)

Date: Tuesday, March 8, 2016

Time: 8:00AM - 8:00PM

Location: Hampton Falls Town Hall

Details:

#### **Article 1: Bond Addition & Renovation**

To see if the School District will vote to raise and appropriate the sum of \$4,379,389 to construct a new addition consisting of a gymnasium, music room, stage addition, and office/corridor/lobby improvements, provide other sitework and utilities support, provide architectural and other service fees, and provide any other items incidental to or necessary for the construction/renovations; and to authorize the issuance of not more than \$4,300,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and to authorize the school board to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project, to authorize the school board to issue and negotiate such bonds or notes and to determine the rate of interest thereon and the maturity and other items thereof, and further to raise and appropriate an additional sum of \$79,389 for the first year's interest payment on the bond; and to authorize the school board to take any other action or to pass any other vote relative thereto? (3/5 ballot vote required). The School Board recommends this article. Vote: 5-0

|  |  | No |
|--|--|----|
|--|--|----|

#### **Article 2: Operating Budget**

Shall the School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$5,857,194? Should this article be defeated, the default budget shall be \$5,568,037, which is the same as last year, with certain adjustments required by previous action of the School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required.)

| Note: Warrant Article #2 (operating budget) does not include appropriations in any oth | ner warrant articles. |
|----------------------------------------------------------------------------------------|-----------------------|
| The School Board recommends this article. Vote: 5-0                                    |                       |

## Hampton Falls School District Warrant and Budget 2016

## Article 3: Seacoast Education Association - Collective Bargaining Agreement

|    | To see if the School District will vote to approve the cost items included in the collective bargaining agreement reached between the Hampton Falls School Board and the Seacoast Education Association which calls for the following increases and reductions in salaries and benefits at the current staffing levels:  Year Estimated Estimated Health Estimated Salary TOTAL  Salary Increase Insurance Costs Driven Benefits Increase Estimated Cost  2016-17 \$69,263 \$8,578 \$16,216 \$94,057  2017-18 \$66,427 (\$26,552) \$15,540 \$55,415  and further to raise and appropriate the sum of \$94,057 for the 2016-17 school year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels in accordance with the current collective bargaining agreement. (Majority vote required)  The School Board recommends this article. Vote: 5-0 |
