

HAMPTON FALLS CEMETERY TRUSTEES MEETING

draft

February 6, 2020

1:00 P.M.

Present; J. Bohm, W. Harrington, & G. Swain.

The secretaries report for January was read and accepted.

OLD BUSINESS:

J. Bohm reported that L. Walker had been in contact with him and that she has changed her mind about selling her lot in West View cemetery.

J. bohms has also been in contact with Martha Coombs and informed her that interment in the family lot would be up to family members. If the decedent is to be cremated there is certainly plenty of room.

A discussion on the unknown quantity of lots still available in West View was brought up. There seems to be no available record of sold lots sold while the cemetery was as Association.

NEW BUSINESS;

The question of when the West View cemetery came under the jurisdiction of the town came up. No one had the answer. Secretary will see if she can find the answer in her records before the next meeting.

W. Harrington, G. Swain and J. Bohm spent some time with the map of West View trying to ascertain available lots and the possibility of smaller lot sites being sold for cremains only. There are several small corner areas where this would be possible. Further research on this will be postponed until spring for actual viewing.

The sexton, G. Swain reported that she had placed several of the discs that were purchased for marking the central roadway in Oak Lawn cemetery last November as an experiment to see how they fared the winter/spring.

The roads into the cemeteries will be closed as soon as frost starts coming out of the ground.

The next meeting time will be spent on a record search for West View cemetery lots.

Meeting adjourned: 2:45 P.M. Next meeting: March 5, 2020

Respectfully submitted;

Georgianna Swain,
Secretary
