BLASTING PERMIT APPLICATION

Application is hereby made to obtain a permit for blasting operations in the Town of Hampton Falls, New Hampshire. All operations shall be done to current Federal, State (SAF-C 1600) and local (NFPA 495 Explosive Materials Code and Town Ordinance) regulations and standards. No blasting operations shall begin until a permit is secured from the Fire Department. **The permit must be secured 3 days prior to any work.** The following items shall accompany this application before a permit can be issued:

- ☐ Certificate of Liability Insurance allowing work in Hampton Falls, N.H.
- ☐ A legible copy of operators blasting license and current drivers license
- ☐ A list showing maximum amount and type of explosives & detonators that will be on site (on back of application or separate sheet) with SDS/MSDS sheets on site.
- ☐ DIG SAFE notified and flagged.
- ☐ All abutters to be notified within 500 feet by certified mail 72 hours in advance of blasting operations.
- ☐ Scaled distance or vibration instrumentation (circle one) on site prior to operations.
