

FLOODSMART ROUNDTABLE

FLOOD SAFETY & EMERGENCY PREPAREDNESS

March 12, 2020 6:30-8:00PM

Photo source: unknown

This workshop will help local property owners know how to prepare for anticipated floods, including what resources to use to track incoming floods, what supplies to have on hand, how to prepare your yard and structure for flooding, what to do if you choose to evacuate, what to do if you choose to shelter in place, and how do

deal with post-flood damage. Presenters will include members of the Hampton, Hampton Falls, and Seabrook Emergency Management Teams. This is important information that every property owner, resident, and local business owner should have.

Hampton Beach Fire Station - 119 Brown Ave - Hampton
2nd Floor Meeting Room
RSVP to: info@shea4nh.org

This is a program of the NHDES Coastal Program and the Seabrook-Hamptons Estuary Alliance. This project was funded, in part, by NOAA's Office for Coastal Management under the Coastal Zone Management Act in conjunction with the NH Department of Environmental Services Coastal Program
