Hampton Falls Police Department COVID-19 UPDATE

The Hampton Falls Police Department is committed to providing the best services we can to the public. In order to ensure the health and well-being of both the public and our officers, we will be taking steps to limit the spread of the Coronavirus Disease.

Until we are notified otherwise, we will be limiting our face-to-face interactions and maintaining social distancing with the general public. For all non-emergencies or if you would like to report a crime of a non-emergency nature, we ask that you call and speak with an officer to determine if your concerns can be handled without coming to the police department. We will continue to provide normal patrol services around the community. During this time, we will not be providing fingerprinting services to the public.

Public Safety continues to be our main priority and we will continue to immediately respond to ALL in-progress crimes, crimes against persons, motor vehicle accidents, and other crimes of a serious nature.

For NON-EMERGENCIES call the Hampton Falls Police Department at (603) 926-4619.

For EMERGENCIES call 911.

Thank you for your cooperation.
