

Hampton Falls Planning Board

Master Plan Committee

Draft Workshop Minutes October 11, 2018

Present: Charlyn Brown, Chairwoman; Larry Smith; Lisa Brown-Kucharski; Andrew Brubaker and Glenn Greenwood, Consultant.

The workshop began at 8:10 A.M. and ended at 9:50 A.M.

The Existing and Future Land Use Chapter was reviewed. Some needed corrections and minor revisions were made. A copy with the changes included will be sent for final review prior to the next workshop. The committee also asked if changes being considered for the Natural Resources Chapter (mainly reduction in unnecessary content) could not also be sent for prior feedback before the workshop. That would be helpful in preparing the revision of what had been previously considered.

Larry reported that he finally has been able to obtain from Phil Chura the needed pictures (those that the committee had previously selected) to introduce each chapter.

Workshop minutes not previously approved were considered at this time and approved.

The next workshop will be held on Thursday, October 18, 2018, at 8:00 A.M.
