

Hampton Falls Planning Board

Master Plan Committee

Draft Workshop Minutes May 24, 2018

Present: Charlyn Brown, Chairwoman; Larry Smith; Lisa Brown-Kucharski; Andrew Brubaker and Glenn Greenwood, Consultant. Also sitting in on this workshop was Beverly Mutrie, a member of the public.

The workshop started at 8:04 A.M. and ended at 10:40 A.M.

The minutes of the May 10th workshop were reviewed and accepted as written.

Charlyn brought to the attention of everyone that in reviewing the status of the various chapters, the Community Profile Chapter had been omitted and needed to be put into the final rotation process. Glenn is to send out the corrected copy of this chapter for review.

The final committee review of Public Utilities and Community Vision and Goals Chapters has been completed. Charlyn will check the copies that go to the Planning Board in order to note that all corrections have been caught. A lengthy discussion took place re: changes still desired in the Housing Chapter, which will come back to the committee for final review. The updated copy of the Transportation Chapter will receive its final review at the next workshop. Glenn also handed out a corrected copy of the Natural Resources Chapter. This is to be reviewed so all will be prepared to offer any needed additions the next time the committee meets.

The next workshop is scheduled for Thursday, June 14, 2018, at 8:00 A.M.
