

Hampton Falls Planning Board

Master Plan Committee

Draft Workshop Minutes March 29, 2018

Present: Charlyn Brown, Chairwoman; Larry Smith; Andrew Brubaker and Glenn Greenwood, Consultant.

The workshop ran from 8:05 A.M. to 10:08 A.M.

The committee reviewed the Community Vision and Goals Chapter for final corrections. Also the Transportation Chapter was reviewed. However, some members felt that more than final corrections were needed. A more in depth review took place as it was felt that perhaps not enough time was devoted to it during the prior review. As a result more changes were requested. Time didn't allow for the review of the Public Utilities Chapter.

The next workshop scheduled for April 12th will be devoted to the final review of the Public Utilities Chapter. In addition, Glenn will be providing more chapters for review – the Housing Chapter and the Natural Resources Chapter.

The minutes of the March 15th workshop were reviewed and approved.
